JONATHAN V. RUBIO

Economic Manager, Ozamiz City Public Market
Local Government Unit of Ozamiz

Mr. Rubio,

Greetings from the Ozamiz City Golden Lions Club! We are a non-profit organization registered under Lions Club International. Our mission is to empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs

This Coming November 14, Lions Club International will be holding a simultaneous Diabetes Awareness Program at 5:30 A.M. Our organization will be holding a series of events, including diabetes screening, BMI screening, cooking demonstrations and tutorials, yoga, lay fora with infographics, blood pressure testing and more. All these events will be open for all and free of charge for the participants.

We will be expecting at least 150 participants for the diabetes screening and even more for the rest of the Diabetes Awareness Program. In line with this, we would like to request to use the ground floor lobby of the Ozamiz City Public Mall for our series of events due to its accessibility for our participants.

We are hoping for your favorable response.

English: Wonder in a Nutshell Francis Lee,2015-08-28 The learning of English there are a lot of good books on this subject already So why do I want to write another one It all started when I was invited to write a weekly blog for Special Broadcasting Service SBS a statutory national broadcaster in Australia and later provide a talk segment When I delved into the subject I began to realise the complexity of the task I could start from the most basic such as verb subject noun like all the good books do However one obstacle facing the learner is that all the basic elements are interrelated so knowledge in the others is often a prerequisite to probing into any A child born into his her native language would experience all the basic elements holistically and not sequentially This opportunity is not available to learners of a new language It soon dawned on me that to overcome the above we need to firstly explain how the English speaking world has put its sentence together before presenting the various elements that fit into it This book begins with a conceptual understanding of the English sentence before commencing with basic grammar then proceeds to language skills and common faults As well a lot of cross referencing are employed so that the readers know where to access the related elements A chapter on letter writing is also included My excitement in writing this book goes further than just explaining grammar usage I want to share the beauty and efficacy of the English sentence such as one by Nelson Mandela former president of South Africa 2 02H in book We dedicate this day to all the heroes and heroines in this country and the rest of the world who

sacrificed in many ways and surrendered their lives so that we could be free And to those who already have a good command of the language I trust this book can serve as a handy reference Francis **Professional Genealogy** Elizabeth Shown Mills,2001 A manual for researchers writers editors lecturers and Librarians **Persuasive Business Writing** Patrick Forsyth,2002 This is a guide to how to achieve your objectives and raise your profile through effective business writing
