And I realise with certainty what I have to do next but will I be too late to save her From the moment the Nazis arrived in Vienna I knew everything would change especially for my closest friend Judith The very fact that she is Jewish means she is in danger but I hoped that she d get her visa in time to leave the country That they wouldn t come for her But I was wrong And when Judith is taken by the Gestapo I realise I only have one choice save my dearest friend or betray the man I love Because I am a diplomat s wife I know I can steal the papers that will allow Judith to escape to safety It s the hardest choice I have ever had to make but I know I must be brave and do the right thing no matter what And besides I ve started to wonder which side of the war my husband Edgar is really on Ever since I joined him in Europe I ve watched him grow distant and secretive And as his behavior gets stranger and he pushes me even further away I begin to wonder how well do I know the man that lies beside me every night So as I creep into my husband's study in the dead of night I know in my heart I m doing the right thing But will I be too late to save my best friend and if I get caught what will happen to me An absolutely heartbreaking powerful and gripping story about finding love resilience and friendship in the midst of the darkness of World War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for The American Wife Fantastic Wonderful Superb I did not want to put this story down When my e reader battery wore down I stood by the charger and read Goodreads reviewer A truly unputdownable book The story kept getting better and better You will have a hard time putting this book down kayy lambert INCREDIBLE Not to be missed I cannot wait for the next in this series Goodreads reviewer This book is sure to keep you on the edge of your seat right up till the end Goodreads reviewer I loved loved loved this story I look forward to reading the next installment Beautifully written Goodreads reviewer Achingly beautiful Fascinating Stunning It engrossed me to the point of ignoring my surroundings Goodreads reviewer Wow What a story I was on the edge of my seat thattravelinglibrarian Thrilling Kept me riveted to my sofa Goodreads reviewer Absolutely heartbreaking powerful and gripping Goodreads reviewer Fantastic I read this book in two days It was a treat from start to finish justineg author Incredible Fascinating Wonderful I laughed a little and cried a lot Rachel Wesson I cannot wait for the next book to be published Highly recommend to every reader Goodreads reviewer Will keep readers in suspense until the very end Goodreads reviewer Easily one of my favorite reads this year Goodreads reviewer An American Wife in Paris Chrystyna Lucyk-Berger, 2025-01-10 If I go back to Paris it would be my third time there as an undercover agent Kitty murmured I ask myself how many chances does one person get Paris 1941 When Kitty is asked to return to Paris as an undercover agent she knows the mission is her most dangerous yet But she has been fighting the Nazis for too long to stop now And her role within the Resistance has already cost her friends family and now almost her own marriage Because while she and Edgar are more in love than ever his role as an undercover Nazi means it is safer if they are no longer married And while signing the divorce papers is a formality that breaks her heart Kitty knows that she and Edgar will find a way to be together when the war is finally over More determined than ever to undermine the Nazi regime Kitty has nothing left to lose

From secretly supplying Prisoner of War camps with essential items to moving refugees across borders to safety she will stop at nothing to play her part in bringing the war to a close even if it means risking her own life But when Edgar goes missing Kitty's world stops As she begins a desperate search for her beloved husband she hears from her contacts that he has been killed But Kitty feels strongly in her heart that somewhere out there Edgar is still alive And she knows she must risk everything to rescue the man she loves no matter what An absolutely gripping heartbreaking and powerful story about courage love and bravery in the midst of World War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for An American Wife in Paris Wonderful heart breaking kept me on the edge of my seat with Kleenex in hand My heart was pounding faster and louder at every gasp as I continued reading to the very end I loved everything about this story and I highly recommend it Page Turners I loved it and I m disappointed to have gotten to the end I think I might go and read it all over again It's beautifully written emotional and engaging Goodreads reviewer Kitty Larsson may well be one of my favourite fictional characters ever Chrystyna Lucyk Berger knows how to push all of our emotional buttons I can t wait for the next book live love read review Wonderful It is hard to put this book down although I confess to taking a few short breaks because I didn t want to get to the end NetGalley reviewer You won t want to put it down I was annoyed that my family still expected to eat when all I wanted to do was read Goodreads reviewer Emotional heart wrenching and totally addictive Goodreads reviewer Fantastic book does not disappoint The story keeps you on the edge of your seat I couldn t put it down Goodreads reviewer I loved the first book so no surprise I loved the second Excellent difficult for me to put down Goodreads reviewer I was sad when I finished the book because I wanted more NetGalley reviewer Wow this is a breath taking book Goodreads reviewer Action packed Kept my interest throughout I did not want to put it down Goodreads reviewer This is historical fiction at its very best The story grips you from the very first pages Goodreads reviewer A MUST The Woman at the Gates Chrystyna Lucyk-Berger, 2021-09-02 1944 Germany Gazing through the read stamperlady50 barbed wire Antonia makes a vow she will not let her family die in this camp She will find a way for them to escape to return to Ukraine even if it costs her own life The Nazis have taken everything from her but they can never take away her courage Would you go into a prison camp if there was a chance to save your family When resistance fighter Antonia's beloved sister and her children are taken by the Nazis she knows what she must do Only she is strong enough to save the family who have been her whole world since she was separated from her true love Viktor As Antonia clutches her nephew s little hand in hers her other arm tight around her sister Lena she knows she has made the right choice And as the truck rattles towards a brutal labor camp Antonia's only thought is of how to stay alive so she can escape and rejoin the fight to free her country But with the brutal guards on the lookout for anyone who was involved in the resistance she knows she can trust no one As the freezing winter sets in her older nephew soon falls ill while Lena starves to give her children what she can For Antonia the only thing worse than watching her nephews suffer is seeing Lena realise that her child will die without help She cannot let
