The Ballad of Rango David S. Cohen, 2011 Presents the art and animation of the motion picture including character designs settings layouts and key sequences *100 Greatest American and British Animated Films* Thomas S. Hischak, 2018-04-20 Animation has been a staple of the filmmaking process since the early days of cinema Animated shorts had been produced for decades but not until 1937 did a major studio venture into animated features when Walt Disney produced Snow White and the Seven Dwarfs Of the hundreds of animated feature films made since many have proven their importance over the years while also entertaining generations of audiences There are also many recent animated movies that promise to become classics in the field In 100 Greatest American British Animated Films Thomas S Hischak looks at the most innovative influential and entertaining features that have been produced since the late 1930s from traditional hand drawn works and stop motion films to computer generated wonders These movies have been selected not simply because of their popularity or critical acceptance but for their importance Entries in this volume contain plot information production history critical reaction commentary on the film s cinematic quality a discussion of the film s influence voice casts production credits songs sequels spin offs Broadway versions and television adaptations awards and nominations Each movie is also discussed in the context of its original release as well as the ways in which the film has lived on in the years since Familiar favorites and lesser known gems are included making the book a fascinating journey for both the avid animation fan and the everyday moviegoer With a sweeping look at more than eight decades of movies 100 Greatest American and British Animated Films highlights some of the most treasured features of all time *The Critic*, 1885 *Annie Oakley in Danger at Diablo* Doris Schroeder, 2020-04-19 Western sharp shooter Annie Oakley encounters more than they bargain for at Uncle Luke s Together with Tagg Oakley she must face the DANGER AT DIABLO **Encyclopedia of Television Shows, 1925 Through 2007: F-L** Vincent Terrace, 2009 This work represents decades of research and television s entire history While documentation regarding cast and personnel is now often found online descriptions of the shows from authoritative sources are still not widely available Terrace fills that gap with this work which covers more than 9 350 shows and constitutes the most comprehensive documentation of TV series ever published Provided by publisher **Religious and Moral Sentences Culled from the Works of Shakespeare** William Shakespeare, Sir Frederick Beilby Watson, 1859 *Imagining Tombstone* Kara L. McCormack, 2016-05-16 When prospector Ed Schieffelin set out from Fort Huachuca in 1877 in search of silver skeptics told him all he d find would be his own tombstone What he did discover of course was one of the richest veins of silver in the West a strike he wryly called Tombstone Briefly a boomtown in less than a decade Tombstone was fading into what for the next half century looked more like a ghost town How is it Kara McCormack asks that the resurrection of a few of the town s long dead figures caught forever in a thirty second shoot out revived the moribund Tombstone and turned it into what the Arizona Office of Tourism today calls equal parts Deadwood and Disney A meditation on the marketing of

authenticity Imagining Tombstone considers this most authentic western town in America as the intersection of history and mythmaking entertainment and education the wish to preserve the will to succeed and the need to survive McCormack revisits the facts behind the feud that culminated in the Earp brothers and Doc Holliday s long walk to their showdown with the Clantons and McLaurys a walk reenacted by so many actors that it became a ritual of Hollywood westerns and a staple of present day Tombstone s tourist offerings Taking into account decades of preservation efforts stories told by Hollywood performances on the town s streets the fervor of Earp historians and western history buffs and global notions of the West Imagining Tombstone shows how the town s tenacity depends on far more than a usable past If Tombstone is The Town Too Tough to Die it is also as this edifying and entertaining book makes clear the place where authentic history and its counterpart in popular culture reveal their lasting and lucrative hold on the public imagination Reverence, Resistance and Politics of Seeing the Indian National Flag Sadan Jha,2016-01-08 Studies the politics that make the tricolour flag possibly the most revered of the symbols and icons associated with nationalism in twentieth century India The Complete Misfits Discography Robert Michael "Bobb" Cotter,2019-09-06 A pioneering horror punk band the Misfits are legends in their own time This discography tells the story of the band in all of its incarnations through all of their recorded output both official and unauthorized releases Discographies are provided for both present and former members solo projects and bands along with a wealth of rare record sleeves photos and vintage posters documenting the evolution of the band and the brand **"A"** **Western Filmmakers** Henryk Hoffmann,2024-10-16 From High Noon to Unforgiven the A Western represents the pinnacle of Western filmmaking More intellectual ambitious and time consuming than the readily produced B or serial Westerns these films rely on hundreds of talented artists This comprehensive reference work provides biographies and Western filmographies for nearly 1 000 men and women who have contributed to at least three A Westerns These contributors are arranged by their role in film production Cinematographers composers actors actresses and directors receive complete biographical treatment writers whose work was used in at least two Westerns are also featured An appendix lists well known actors who have appeared in either one or two A Westerns as specified **Catalog of Copyright Entries** ,1927

Television Westerns Alvin H. Marill,2011-06-01 Westerns have featured prominently in films almost since motion pictures were first produced at the end of the nineteenth century and when televisions invaded American homes in the late 1940s and early 50s Western programs filled the small screen landscape Throughout the 1950s and well into the 1960s these shows dominated television with such long running successes as Bonanza Wagon Train and Maverick And though the genre has fallen on hard times over the years it has never died as Hollywood continues to produce films mini series and shows that keep the west alive In Television Westerns Six Decades of Sagebrush Sheriffs Scalawags and Sidewinders Alvin H Marill looks at the genre as it was represented from the beginning of television from the twenty year run of Gunsmoke to the brutal revisionist take of Deadwood This volume encompasses all manifestations of the Western including such series as Rawhide

The Virginian and The Wild Wild West as well as movies of the week mini series failed pilots animated programs documentaries and even Western themed episodes of non Western series that provided their own spin on the genre
