

Lesson 1: The First Great Awakening

In the middle of the 18th century, a series of evangelical religious revival movements swept across colonial America. Known as the First Great Awakening, the movements were characterized by emotional religious experiences (from a state of sin to a "new birth") and by dramatic and powerful preaching, sometimes outdoors, by itinerant preachers instead of clergy of churches. The First Great Awakening also resulted in new efforts by European colonists to reach out to Native Americans and African Americans. By examining primary documents from the time, this lesson will introduce students to the ideas, practices, and evangelical spirit of the First Great Awakening.
