New Song Clyde Bacchus, Christabel Bacchus, 2022-12-13 The new song refers to the Gospel of Jesus Christ and includes an invitation to all mankind to accept him as their Savior and Lord Why then has there been a continuing history within the church of the exclusion of people on the basis of their race These divisions which were highlighted by Rev Martin Luther King in the 1960s Civil Rights Movement continue to exist not only in the church in the US but also in the UK Sang traces the beginnings of the church from Jesus s command to go out into all the world and make disciples of all nations to the ways in which that command was replaced Significant influences from Greek philosophy to Roman colonialism infiltrated the church and caused it to compromise biblical truths The church needs to take the lead and not just talk about healing without an acknowledgment of how we have failed to be obedient to Jesus s gospel We need to repent and do the works of repentance

Symbol, Service, and Song J. Nathan Clayton, 2021-11-09 In the Old Testament the Levites stand as key ministry leaders for the worship of the people of God from their origins with Moses and the tabernacle to their service at the Jerusalem temple to their roles in the postexilic period This study proposes a multidimensional reading of the texts centered on the Levites in the Davidic narratives of 1 Chronicles 10 29 From a literary point of view the notion that the Levites are closely associated with the symbol of God s presence is explored From a historical perspective the roles of the Levites in expanding the service to God and his people is examined And from a theological perspective the means by which the Levites facilitate the song of God s people is studied Overall this work seeks to defend the idea that these texts contribute significantly to the rhetorical argumentation the historiographic method and the biblical theological meaning of the canonical books of Chronicles generally and of the Davidic narratives of 1 Chronicles 10 29 specifically as they emphasize the central role played by proper Levitical worship leadership at the time of David and during the challenging situation of the Chronicler s Yehudite postexilic audience

From Silence to Song Peter J. Leithart, 2003 The debate in many Reformed circles over worship music is only a small part of the larger question of Reformed liturgics And dancing All sides admit that the New Testament offers relatively little instruction on liturgy and so the debate over the regulative principle continues with apparently little hope for resolution In this study Peter Leithart s key insight reveals a prominent scriptural example of a liturgy that interprets God s commands for worship in ways far more biblically grounded than traditional regulativism allows King David s tabernacle worship becomes a rich story not only in respect to liturgical wisdom but also to the significance of Zion in the fulfillments of the Christian era
