**Psychological Realism in 19th Century Fiction** Debashish Sen,2019-12-10 This

book is a study of psychological realism in select works from nineteenth century fiction namely *Fathers and Sons* Anna Karenina *The Mill on the Floss* and *Jane Eyre* It shows how psychoanalytic theories may be applied to illuminate various aspects of the psyches of characters in these texts The book provides evidence that theories like John Bowlby's Attachment Theory and Karen Horney's Personality Theory can go a long way in enhancing our understanding of literary characters the meaning of the text its relation to its creator and the author's psychology As such it brings forth a novel view of literary criticism and will serve to convince the reader that a critical approach devoid and dismissive of the psychological aspect is incomplete and hurts literary criticism on the whole

***Realism as Resistance*** Denise DuPont, 2006 This book explores the fluid boundaries between realism and romanticism while considering this oscillation between discourses as the legacy of the Quijote to the nineteenth century Spanish novel Furthermore there are studies of characters who act as authors in Benito Perez Galdos's first series of *Episodios Nacionales* Pio Baroja's *La lucha por la vida* and Leopoldo Alas Clarin's *La Regenta* For many realists romanticism has negative associations quixotism exaggeration impracticality and femininity or effeminacy

***In Defence of Realism*** Raymond Tallis, 1998-01-01 *In Defence of Realism* is a powerful indictment of the fog of bad philosophy and worse linguistics that has shrouded much contemporary literary theory and criticism Raymond Tallis one of the most important critics of post Saussurean literary theory in the English speaking world examines the reasons often cited by critics and theorists for believing that realism in fiction is impossible and verisimilitude a mere literary effect He clearly demonstrates not only that the arguments of critics hostile to realism are invalid but that even if they were sound they would apply equally to anti realist fiction indeed to all intelligible discourse

***Keywords for Children's Literature*** Philip Nel, Lissa Paul, 2011-06-13 The study of children's literature and culture has been experiencing a renaissance with vital new work proliferating across many areas of interest Mapping this vibrant scholarship *Keywords for Children's Literature* presents 49 original essays on the essential terms and concepts of the field From Aesthetics to Young Adult an impressive

*Critical Theory and Science Fiction* Carl Freedman, Carl Freedom, 2013-09-01 Selected by Choice as an Outstanding Academic Book of the Year This innovative cultural critique offers valuable insights into science fiction thus enlarging our understanding of critical theory Carl Freedman traces the fundamental and mostly unexamined relationships between the discourses of science fiction and critical theory arguing that science fiction is or ought to be a privileged genre for critical theory He asserts that it is no accident that the upsurge of academic interest in science fiction since the 1970s coincides with the heyday of literary theory and that likewise science fiction is one of the most theoretically informed areas of the literary profession Extended readings of novels by five of the most important modern science fiction authors illustrate the affinity between science fiction and critical theory in each case concentrating on one major novel that resonates with concerns proper to critical theory Freedman's five readings are *Solaris* Stanislaw Lem and *The Structure of Cognition* The Dispossessed Ursula LeGuin and *The Ambiguities of Utopia* The Two of Them Joanna Russ and *The Violence of Gender* Stars in My Pocket Like Grains of Sand Samuel Delany and *The Dialectics of Difference* The Man in the High Castle Philip K Dick and *The Construction of Realities* The Routledge Companion to Narrative Theory Paul Dawson, Maria Mäkelä, 2022-07-18 The Routledge Companion to Narrative Theory brings together top scholars in the field to explore the significance of narrative to pressing social cultural and theoretical issues How does narrative both inform and limit the way we think today From conspiracy theories and social media movements to racial politics and climate change future scenarios the reach is broad This volume is distinctive for addressing the complicated relations between the interdisciplinary narrative turn in the academy and the contemporary boom of instrumental storytelling in the public sphere The scholars collected here explore new theories of causality experientiality and fictionality challenge normative modes of storytelling and offer polemical accounts of narrative fiction nonfiction and video games Drawing upon the latest research in areas from cognitive sciences to complexity theory the volume provides an accessible entry point for those new to the myriad applications of narrative theory and a point of departure for new scholarship **Narrating the Past** David K. Herzberger, 1995-05-24 The relationship between fiction and historiography in Francoist Spain 1939-1975 is a contentious one The intricacies of this relationship in which fiction works to subvert the regime's authority to write the past are the focus of David K Herzberger's book The

narrative and rhetorical strategies of historical discourse figure in both the fiction and historiography of postwar Spain Herzberger analyzes these strategies identifying the structures and vocabularies they use to frame the past and endow it with particular meanings He shows how Francoist historians sought to affirm the historical necessity of Franco by linking the regime to a heroic and Christian past while several types of postwar fiction such as social realism the novel of memory and postmodern novels created a voice of opposition to this practice Focusing on the concept of writing history that these opposing strategies convey Herzberger discloses the layering of truth and meaning that lies at the heart of postwar Spanish narrative from the early 1940s to the fall of Franco His study clearly reveals how the novel in postwar Spain became a crucial form of dissent from the past as it was conceived and used by the State Making a decisive intervention in the debate about the ways in which narration determines both the meaning and truth of history and fiction Narrating the Past will be of special interest to students and scholars of the politics history and literature of twentieth century Spain

**Whose History?** Grant Rodwell, 2013 Somebody once quipped that any work of Australian historical fiction is a burning fuse travelling over decades through Australian culture and society In some manner every newly published Australian historical novel is connected to what it has preceded Each work belongs to a proud history Through multiple examples Grant Rodwell encourages readers to see how a work of historical fiction has evolved Thus under various themes WHOSE HISTORY examines the traditions in Australian historical fiction and ponders how Australian historical novels can engage teachers and student teachers WHOSE HISTORY aims to illustrate how historical novels and their related genres may be used as an engaging teacher learning strategy for student teachers in pre service teacher education courses It does not argue all teaching of History curriculum in pre service units should be based on the use of historical novels as a stimulus nor does it argue for a particular percentage of the use of historical novels in such courses It simply seeks to argue the case for this particular approach leaving the extent of the use of historical novels used in History curriculum units to the professional expertise of the lecturers responsible for the units
