## **Sloppy Seconds English Edition:**

Sloppy Seconds Tucker Max, 2012-02-07 Tucker Max's books *I Hope They Serve Beer In Hell*, *Assholes Finish First* and *Hilarity Ensues* are a uniquely engaging trilogy composed of his best craziest stories. They've sold millions of copies to fans all over the world. Their success has meant his success. As a thank you to those who have loved the stories and supported him for so long, Tucker has gone back through his massive archive of material, one last time culled out what you might call the best of the rest and arranged it here in *Sloppy Seconds*, like a book version of Deleted Scenes. Unlike most deleted scenes, however, these don't suck. So enjoy. **Sloppy Seconds** Bob Benson, 2013-06-21 A teen sex story without the teens or the gratuitous pool scene. A coming of age story now worrying about the expiration date more than the legal age. A once in a lifetime chance to make a second impression on your first loves. A Professor at a community college, a failed writer, a love refugee, 53 year old Dr Tom Dawson gets a second chance at the dream. Would it even matter? This time even the cops would be called. Things and people change. It could be a sex comedy with a few shades of gray. It could just be a wild interlude preceding a boring retirement.

The Increased Necessity of Augmenting the Teaching of Commonly Used English Language Idioms, Clichés, Proverbs, Slang Words, and Expressions with Context Examples in the ESL Academic Setting, **English as a Second Language** Megan Crane, 2012-01-05 Alexandra Brennan is doing just fine in a dead end job working for people she hates in New York until she bumps into an ex in a bar and he tells her she'll never make it to graduate school in the UK. Never one to let a challenge pass her by, Alex applies and when she gets a place at the University of York she finds herself on a plane to the other side of the Atlantic wondering what on earth she's done. Armed with American cigarettes and extra strength coffee, Alex is ready to face everything Britain has to offer: beer, blokes and more books than she can possibly read in a year. Falling for her lecturer, the divine Sean Douglas and managing to get a Master's somewhere along the line, Alex realises that instead of running away from home she might just have found it. **The Routledge Dictionary of Modern American Slang and Unconventional English** Tom Dalzell, 2008-07-25 The Routledge Dictionary of Modern American Slang and Unconventional English offers the ultimate record of modern American Slang.
