Doomsday Bunker Book Ben Jakob,2014-11-01 We all have heard of people talking pontificating and preaching about a doomsday or have watched the TV show Doomsday Preppers We have heard people called Preppers or What Ifers People have been talking about some sort of End of the World scenario for decades Even the United States government has many bunkers around the country some of which have been purchased by ordinary citizens preppers Some of us are concerned something may happen sooner rather than later I have heard more and more people talking about the possibility of an imminent disaster Some people worry about different possible scenarios For example economic collapse societal collapse civil unrest electromagnetic pulse weather destruction war fire nuclear attacks terrorist attacks fuel shortages pandemics geomagnetic reversal etc Sixty one percent of Americans believe some sort of doomsday will happen within the next twenty years Sixty percent of Americans believe there will be economic collapse within the next fifteen years Many people are preparing for the scenarios of which they are concerned It is estimated in the United States of America approximately ten percent of the population are preppers to one degree or another No one knows if or when one or more calamities will occur There is no way to predict a specific occurrence or time factor and my crystal ball broke so I cannot help with your prognostication The best we can do is to prepare for any eventuality This is why I personally and many others believe a concrete bunker is the best idea Some people are planning for an aboveground bunker and some are interested in an underground bunker In this book we are going to be discussing both in great detail As I will explain this type of bunker will give you the best protection possible for the most scenarios One need not be a conspiracy theorist to be apprehensive People may think Doomsday preppers or What ifers as we are often called are Nut jobs However when TSHTF we will be the ones who others will come to since we will be the ones who are prepared
