Pagans and Christians in Late Antiquity A.D.(Doug) Lee,2013-04-15 In this book A D Lee charts the rise to dominance of Christianity in the Roman empire Using translated texts he explains the fortunes of both Pagans and Christians from the upheavals of the 3rd Century to the increasingly tumultuous times of the 5th and 6th centuries The book also examines important themes in Late Antiquity such as the growth of monasticism the emerging power of bishops and the development of pilgrimage and looks at the fate of other significant religious groups including the Jews Zoroastrians and Manichaeans

Pagans and Christians in Late Antiquity A. D. Lee,2015-08-11 In *Pagans and Christians in Late Antiquity* A D Lee documents the transformation of the religious landscape of the Roman world from one of enormous diversity of religious practices and creeds in the 3rd century to a situation where by the 6th century Christianity had become the dominant religious force Using translated extracts from contemporary sources he examines the fortunes of pagans and Christians from the upheavals of the 3rd Century through the dramatic events associated with the emperors Constantine Julian and Theodosius in the 4th to the increasingly tumultuous times of the 5th and 6th centuries while also illustrating important themes in late antique Christianity such as the growth of monasticism the emerging power of bishops and the development of pilgrimage as well as the fate of other significant religious groups including Jews and Manichaeans This new edition has been updated to include additional documentary material including newly published papyri an expanded chapter on the emperor Constantine greater attention to church controversies in the fourth and fifth centuries thoroughly updated references and further reading taking into account developments in modern scholarship during the past fifteen years *Pagans and Christians in Late Antiquity* is an invaluable resource for students of the late antique world and of early Christianity and the early Church

The Samaritan Pentateuch Robert T. Anderson,Terry Giles,2012-10-22 The Samaritan Pentateuch SP is the sacred scripture of the Samaritans a tenacious religious community made famous by Jesus Good Samaritan story that persists to this day Not so widely known is the impact of the SP outside the Samaritan community Recently there has been a resurgence of interest in this scripture as evidenced by several translations of the SP as well as reference in Qumran scroll studies to the SP or an SP like tradition in an effort to describe some of the textual evidence present in the scrolls This

volume presents a general introduction to and overview of the SP suitable for a course text and as a reference tool for the professional scholar *The Samaritans, the Earliest Jewish Sect* James A. Montgomery, 2006-10-25 This volume began as the John Bohlen Lectures in 1906 Contents 1 The Re discovery of the Samaritans 2 The Land of Samaria and the City of Shechem 3 The Modern Samaritans 4 The Origin of the Samaritan Sect 5 The Samaritans under the Hellenic Empire 6 The Samaritans under the Roman Empire 7 The Samaritans under Islam 8 The Geographical Distribution of the Samaritans 9 The Samaritans in the Apocryphal Literature the New Testament and Josephus 10 The Samaritans in the Talmuds and Other Rabbinic Literature 11 The Talmudic Booklet the Masseket Kutim 12 The Theology of the Samaritans 13 The Samaritan Sects Gnosticism 14 The Languages and Literature of the Samaritans *The Theology of the Samaritans* John Macdonald (of Leeds.), 1964 Every Bible reader is familiar with the good Samaritan and with the woman of Samaria He may even recall that whenever possible Jesus avoided entering Samaria But of the theology of this district occupying central Palestine between Galilee on the north and Judea on the south the chances are he knows little or nothing To fill this gap the present book has been written Indeed it is the first book exclusively devoted to the subject and making available to the English speaking student a vast amount of resource material hitherto unknown Jesus never referred to the Essenes but his references to the Samaritans are numerous and so a knowledge of their theological position is vital to Christology Moreover the Samaritans own references to the Old Testament especially to the national hero Moses are so constant as to constitute a study in itself Accordingly any consideration of the theology of the Samaritans throws light upon Jesus Bible as well as upon Jesus himself Apart from all this Dr Macdonald s work is an essay in comparative religion in a field hitherto largely unexplored and quite unavailable to the average modern student Its material is unique and to be gleaned only by the perusal of many ancient manuscripts The book is intended for seminary students and their professors but is also prepared for the ordinary Bible reader and it is written in nontechnical language Publisher
