The Red Fog Over America William Guy Carr, 1957 **The Red Fog** Liliya Zarina, 2006 As a teenager during World War II author Liliya Lita Zarina's idyllic life of perfumed soaps shelves full of books and carefree parties explodes into irretrievable pieces after a Soviet bomb strikes her family's property in Latvia The Russian army demands the surrender of passports radios and typewriters destroys books and changes the local language and street signs Independent thinking is discouraged and success is guaranteed for those who denounce God family and country to serve the Communist Party Separated from her parents Lita studies medicine at the University of Latvia and dreams of the day she can afford a decent meal She earns a doctorate of medicine in 1950 but even a doctor's monthly salary is not enough to buy a substandard pair of shoes Lita's trusting nature leads her into a bad marriage and makes her easy prey for a handsome but highly unscrupulous man Ultimately chance meetings unlikely alliances and unexpected developments come together to facilitate her escape from the suffocating red fog of communism A cautionary tale for anyone who cherishes freedom The Red Fog is a memoir of one woman's life behind the Iron Curtain that explores how political oppression dehumanizes people while fear renders them silent and helpless **Red Fog Over America** William Guy Carr, 1996-01-01 **Asia First** Joyce Mao, 2015-06-09 After Japanese bombs hit Pearl Harbor the American right stood at a crossroads Generally isolationist conservatives needed to forge their own foreign policy agenda if they wanted to remain politically viable When Mao Zedong established the People's Republic of China in 1949 with the Cold War just underway they had a new object of foreign policy and as Joyce Mao reveals in this fascinating new look at twentieth century Pacific affairs that change would provide vital ingredients for American conservatism as we know it today Mao explores the deep resonance American conservatives felt with the defeat of Chiang Kai Shek and his exile to Taiwan which they lamented as the loss of China to communism and the corrosion of traditional values In response they fomented aggressive anti communist positions that urged greater action in the Pacific a policy known as Asia First While this policy would do nothing to oust the communists from China it was powerfully effective at home Asia First provided American conservatives a set of ideals American sovereignty selective military intervention strident anti communism and the promotion of a technological defense state that would bring them into the global era with the positions that are now their hallmark **From the Red Fog, Vol. 3** Mosae Nohara, 2022-12-13 Out of the darkness Ruwanda stepped into the light Seeking companions he found his way to an assassins guild Ruwanda's current mission Eliminate the target But when he and his comrade Ivan run into trouble can they put aside their differences and work together to take down the so called gentlebeast Or will they fall prey to the red fog creeping through the manor **Conspiracy** Daniel Pipes, 1999-05-01 A solid sketch of a difficult and intriguing topic without indulging in sensationalism Kirkus Reviews August 15 1997 Was AIDS intentionally inflicted upon blacks by whites Was JFK assassinated as part of an intricate conspiracy Pipes traces conspiracy theories through history to show that Conspiracism genuine and virulent belief in a conspiracy dates back to the First
