## **Readings For Candle Light Memorial Services:**

Funeral and Memorial Service Readings, Poems and Tributes Rachel R. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion. The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore. This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service. To assist the reader in finding a suitable passage, the book is divided into eleven chapters. There are tributes for mothers, fathers, children, spouses, and soulmates, friends, siblings, and other close relatives, soldiers and victims of war or violence, pets, and general readings appropriate for men, women, or any loved one. These selections will also prove helpful for clergy, counselors, and hospice, hospital, and funeral professionals. Appendices list resources and support organizations, and each selection is indexed by author, title, and first line. A special additional index references pieces by famous uses such as in a film, novel, or celebrity's funeral, so readers can locate a passage they remember from its context.

**The Suicide Funeral (or Memorial Service)** Melinda Moore, Daniel A. Roberts, 2017-05-16 To our knowledge, nothing with The Suicide Funeral or Memorial Service: Honoring Their Memory, Comforting Their Survivors, scope and depth has ever been published. This is an aid to anyone who will be called upon to do a funeral for the nearly 43,000 suicides in America each year. This book is designed to assist clergy, chaplains, and other faith leaders as they develop sermons and homilies for a funeral service. Its mandate is to help those searching for inspiration, even though they may feel confused or uncertain, undertaking such a daunting assignment. Those who plan and lead a funeral service may enable family and friends to understand and participate intentionally in their grief process. Clergy can have a significant impact on how people react to the suicide, as well as provide comfort and assistance to those left behind on their journey through grief. Your leadership will influence how the suicide's bereaved are treated by others in the days, weeks, and months following the death. Because suicide does not discriminate by race, socio-economic status, or religion, a broad range of faiths and denominations are represented in this book's sermons, services, and perspectives.

Funeral, Memorial and Thanksgiving Services Jan Brind, Tessa Wilkinson, 2008-01-01 Arising out of many years' experience of helping to lead local church worship and counselling work in a children's hospice, this is the first of three new volumes that focuses on the occasions when many non-churchgoers visit a church for christenings, weddings, funerals, and memorials. These rites of passage present key opportunities for occasional visitors to encounter the Christian faith. If they are imaginatively handled, a lifelong interest can be aroused. If they are insensitively done, people can be put off for life. This practical resource offers prayers, forms of words, and many tried and tested ideas for creating rituals that give support at a time of great need following a death. It will enable the creation of rites based on the authorized liturgical texts that are beautiful, memorable, and meaningful. Particular help is given for that most difficult of pastoral challenges: the death of a child and the care of the bereaved family.
