Reality Check Pivot, 2020-09-10. For readers of The Celestine Prophecy, this is what you've been waiting for. Reality Check was written for everyone else who knows that we're on the verge of pushing Mother Nature and the economy to the breaking point. Reality Check shows the urgent need to reverse humanity's downward spiral by undoing the status quo. Half the book is filled with quotes from the likes of Chomsky, Sagan, Carlin, Goodall, Soros, Orwell, Asimov, Hegel, William James, Sting, and the Beatles, as well as some of the most popular TV shows and movies. This over the top attempt to avert an evolutionary crash hopes instead to turn the situation into an evolutionary bounce by galvanizing members of the so-called choir who already understand that the status quo needs to be revamped. Otherwise, civilization as we know it won't last much longer. The book addresses everything from parenting to economics, political systems to global warming and general environmental destruction, as well as sociology, history, and God. It's time for a reality check. What are you waiting for?
