**Reapers** Lorne McDougall, 2015-03-13 Miles Lechler is nothing special Like a million other highschoolers he spends his days blissfully unaware of the comings and goings of life absorbed in his own world of school football and crushes That is until one rainy afternoon when a fatal car accident changes what he thought he knew about death Lance is a predator A prodigy of the reapers a sect of human souls overseen by the angels themselves Lance mercilessly hunts the recently departed dutifully carrying them onwards to paradise That is until one rainy night when a rogue burst of spiritual power changes what he thought he knew about life after death Now Lance or as he was once called Miles must move quickly fighting in both the physical and spiritual realms against nightmarish creatures born of sin ancient demons hungering for pain and perhaps most frighteningly a growing hatred for humanity bred within the angels themselves The fate of both worlds hangs in the balance

**The Reapers** Ali Winters, 2015-06-21 The balance of life and death must be protected at all costs Nivian had never failed to Reap a marked soul That is until she meets Kain Evers a Hunter and the only being on earth with the power to destroy her When Reapers start to go missing the Balance is thrown into turmoil forcing Nivian and Kain to trust each other as they search for answers Which is no easy task as they fight the feelings growing between them As mortal enemies they were never meant to work together now they re forced to protect each other if they want any hope of righting the Balance before all is lost Unfortunately to succeed one of them must die Intense gripping and romantic readers of Maggie Stiefvater and Bella Forrest will love The Reapers See why readers are calling it A gripping tale

The Reaper's Lost Love Nicole Tsopo, 2025-05-26 Kieran known across centuries as the Reaper is cursed by immortality and decay trapped in a cycle of death and rebirth a weapon abandoned by the gods who forged him His hands rot his memories fray and he longs only for the peace of oblivion But now those gods return desperate to reclaim control They offer Kieran one final task in exchange for the death he desires This final command propels him toward Seraphine the woman in whose hands rests both his salvation and his ruin In this immersive heartbreaking saga of sacrifice memory and redemption nothing is safe not love not identity not even death itself The Vorathi is calling and when the last page turns who will remain
