Reason And Emotion:

Law, Reason, and Emotion M. N. S. Sellers, 2017-12-28 What place do reason and emotion have in justice and the law This thought provoking text brings together leading lawyers and legal philosophers to argue that law gains legitimacy and effectiveness when reason recognizes and embraces human emotions for the benefit of society as a whole *Handbook of Emotions, Third Edition* Michael Lewis, Jeannette M. Haviland-Jones, Lisa Feldman Barrett, 2008-04-17 Widely regarded as the standard reference in the field this handbook comprehensively examines all aspects of emotion and its role in human behavior The editors and contributors are foremost authorities who describe major theories findings methods and applications The volume addresses the interface of emotional processes with biology child development social behavior personality cognition and physical and mental health Also presented are state of the science perspectives on fear anger shame disgust positive emotions sadness and other distinct emotions Illustrations include seven color plates **Rational Woman** Raia Prokhovnik, 2012-11-12 To feminists and some postmodernists reason emotion and man woman represent two fundamental polarities fixed deep within Western philosophy and reflected in the structures of our languages and two sets of hierarchical power relations in patriarchal society Raia Prokhovnik challenges the tradition of dualism and argues that rational woman need no longer be a contradiction in terms Prokhovnik examines in turn the nature of dichotomy its problems and an alternative the reason emotion dichotomy dichotomies central to the man woman dualism such as sex gender and the heterosexualist norm **Reason and Emotion** John Macmurray, 1935 **Emotion, Social Theory, and Social Structure** J. M. Barbalet, 2001-09-06 Emotion Social Theory and Social Structure takes sociology in a new direction It examines key aspects of social structure by using a fresh understanding of emotions categories Through that synthesis emerge new perspectives on rationality class structure social action conformity basic rights and social change As well as giving an innovative view of social processes J M Barbalet's study also reveals unappreciated aspects of emotions by considering fear resentment vengefulness shame and confidence in the context of social structure While much has been written on the social consequences of excessive or pathological emotions this book demonstrates the centrality of emotions to routine operations of social interaction Dr Barbalet also re-evaluates the nature of social theory for once the importance of emotions to social processes becomes clear the intellectual constitution of sociology and therefore its history must be rethought **Emotion and Reasoning** Isabelle Blanchette, 2013-10-01 The interaction between emotion and cognition is a fundamental issue which has only recently been reintroduced as a legitimate object of study in experimental psychology This book examines the significant impact that affective processes have on reasoning and demonstrates how emotional reasoning cannot simply be equated with faulty reasoning Emotion and Reasoning presents contributions from leading researchers from a variety of disciplines including experimental cognitive psychology cognitive neuroscience clinical neuropsychology and experimental psychopathology The opening chapters consider how emotions affect reasoning processes in individuals

living with psychopathology A second section focuses upon experimental investigations of emotion and basic reasoning processes and a final section explores the physiological bases of emotion reasoning interaction Together the chapters in this volume provide a multidisciplinary overview of key topics on emotion and reasoning and a survey of recent research in this area Emotion and Reasoning will be of great interest to advanced students researchers and practitioners in the fields of cognitive psychology clinical psychology and affective neuroscience *Emotion in Organizational Change* Usman

Talat,2016-12-19 This book constructs a multi disciplinary interpretation of emotion specifically applied and discussed within Organizational Change environments Including a range of perspectives from Philosophy Evolutionary Sciences Psychology and Sociology Emotion in Organizational Change also provides a historical picture of our knowledge of emotion The author explores how this can contribute towards a novel understanding of a pervasive phenomenon in society and its organizations

Passions and Emotions James E. Fleming,2013 Throughout the history of moral political and legal philosophy many have portrayed passions and emotions as being opposed to reason and good judgment At the same time others have defended passions and emotions as tempering reason and enriching judgment and there is mounting empirical evidence linking emotions to moral judgment In Passions and Emotions a group of prominent scholars in philosophy political science and law explore three clusters of issues Passion Passion and Dispassion Passions Emotions in Legal Interpretation This timely interdisciplinary volume examines many of the theoretical and practical legal political and moral issues raised by such questions

Madness in Plural Contexts: Crossing Borders, Linking Knowledge ,2020-04-14 This volume was first published by Inter Disciplinary Press in 2012 What are we to make of madness in contemporary times Are we to study its various facets following the traditional path Or should we turn towards a less explored territory Madness in Plural Contexts Crossing Borders Linking Knowledge represents a decisive turn towards the social and cultural in contemporary understandings of madness While it retains a focus on the diagnosis and interpretation of madness it focuses on mad identities in literature and the media It shows that the boundaries between the psychiatric psychological and the social cultural are blurred Madness appears on stage fuelled by absinthe across pages of novels detective TV shows and philosophical and theoretical dialogues It continues to be haunted by religious connotations while becoming a subtext of social exclusion in contested cultural geographies Madness becomes the rhythm of human life in the face of late modernity s unquenchable thirst for perfection success and progress

Murder, the Media, and the Politics of Public Feelings Jennifer Petersen,2011-08-12 In 1998 the horrific murders of Matthew Shepard a gay man living in Laramie Wyoming and James Byrd Jr an African American man dragged to his death in Jasper Texas provoked a passionate public outrage The intense media coverage of the murders made moments of violence based in racism and homophobia highly visible and which eventually led to the passage of The Matthew Shepard and James Byrd Jr Hate Crimes Prevention Act in 2009 The role the media played in cultivating shaping and directing the collective emotional response toward these crimes is the subject of this

gripping new book by Jennifer Petersen Tracing the emotional exchange from news stories to the creation of law Petersen calls for an approach to media and democratic politics that takes into account the role of affect in the political and legal life of the nation Issues in Science and Theology: Do Emotions Shape the World? Dirk Evers, Michael Fuller, Anne

Runehov, Knut-Willy Sæther, 2016-04-14 This volume examines emotions and emotional well being from a rich variety of theological philosophical and scientific and therapeutic perspectives To experience emotion is a part of being human but what are emotions How can theology philosophy and the natural sciences unpack the nature and content of emotions This volume is based on contributions to the 15th European Conference on Science and Theology held in Assisi Italy It brings together contributions from scholars of various academic backgrounds from around the world whose individual insights are made all the richer by their juxtaposition with those from experts in other fields leading to a unique exchange of ideas
