Perspectives on Literacy Eugene R. Kintgen, Barry M. Kroll, Mike Rose, 1988 The 28 essays reprinted here are arranged in four sections that offer theoretical historical educational and community perspectives on the whole topic of literacy In addition to their substantial introduction the editors provide an exhaustive bibliography based on the citations to the essays Kintgen Kroll and Rose see literacy as an extremely complex area of inquiry in which all aspects are interrelated and they hope to avoid creating or perpetuating false boundaries within the field The book's first section contains articles dealing with various psychological and economic consequences of literacy The second provides an introduction to the development of literacy in different eras of the West from its inception among the Greeks to the teaching of it in North America during the past century The third section treats the teaching of literacy in educational institutions primarily at the secondary and post secondary levels The final section discusses literacy outside the traditional classroom the development of literacy among children and adults the functions and uses of literacy in the workplace and elsewhere and the identity and problems of those who have not mastered literacy skills Creating Community on College Campuses Irving J. Spitzberg, Virginia V.

Thorndike, 1992-01-01 Creating Community on College Campuses addresses the most critical and difficult issues facing higher education in the 1990s improving the quality of teaching and learning raising academic standards protecting freedom of expression and simultaneously enhancing community of the whole and community of the parts This book offers an understanding of community as a complex concept one that incorporates the values of a democratic society and encourages learning and participation by all citizens of the campus and discusses topics such as race and ethnicity the climate for women harassment and free speech alcohol crime Greek life and interaction among faculty and students The authors conclude with concrete recommendations to support the implementation of pluralistic learning communities on our nation's campuses

Minnie Pallister Alun Burge, 2024-09-01 Minnie Pallister is one of those women who has been woefully missing from Welsh history Now she is rightfully restored to her position as a significant figure in twentieth century women's and labour activism thanks to Alun Burge's meticulous research and compelling account of her courageous life story Read on Angela V John Minnie Pallister's life was so fantastic that not even a thriller writer could imagine it A feminist pacifist and socialist she was twice accused of sedition in the First World War before travelling to Nazi Germany in late 1938 and 1939 to rescue Jews helping bring them to Britain at the outbreak of the Second World War In between having reached national prominence in the labour movement in which she was considered the best woman orator and with a Parliamentary career beckoning she was struck down by an illness which cruelly robbed her of speech Suffering years of paralysing infirmity which reduced her to the edge of penury she eventually recovered to become a successful journalist with the Daily Mirror and the Daily Herald

Fearless and principled and always challenging not least in advocating gender equality Pallister was initially barred from a position with the BBC because of her socialist politics and later twice banned by the Corporation first for her pacifist then her feminist politics An outstanding broadcaster who became for a time a household name she was a regular contributor to Woman s Hour and as an advocate of women s rights from the 1920s to the 1950s she was a forerunner of the Women s Liberation Movement Pallister was such a compelling figure that her Life Story was serialised on radio over five days during her lifetime Catalog of Copyright Entries.
