The Stray American

The Stray American

Leo E. Miller

The Stray American:

Women in Stuart England and America Roger Thompson, 2013-05-07 Originally published in 1974 this study offers valuable perspectives on the status and roles of women in Stuart England and in the newly settled colonies of North America particularly Massachusetts and Virginia Incorporating both new research on the subject and the findings of other scholars on demographic and social history the author examines the effects of sex ratios economic opportunities Puritanism and frontier conditions on the emancipation of American women in comparison with their English counterparts He discusses the effects of these major differences on women's roles in courtship marriage and the family educational legal and civic opportunities In the final chapter he compares the moral climate of the two cultures in the latter part of the seventeenth century

American Designs Jeanne Campbell Reesman, 2016-11-11 American Designs addresses three major literary critical issues the hermeneutics of the novel genre the intense importance of this genre for American literature and the way James and Faulkner by writing within hermeneutic traditions of the modern American novel explore further than any other writers the particular functions of the novelistic designs they inherited and transformed Jeanne Campbell Reesman contends that in the late fiction of James and Faulkner the search for knowledge of the self and others is presented as a metafictional issue of power authority and freedom While their own interests lead characters in the novels to enact designs on other characters the novels themselves undermine the validity of any single imposed design American writers Reesman argues develop narrative structures that fail to close There is an open ended search for American identity Structures remain unfinished or unresolved or disunified in order to allow human beings a certain freedom from closed design and they do this out of a dual reaction against both Old World tradition and New World Puritanism Reesman probes the relationship between narrative design and the problem of knowledge in American literature in her resonant readings of *The Ambassadors* *Absalom Absalom* *The Golden Bowl* and *Go Down Moses* James and Faulkner of course never knew each other but in this first book length comparison of these major authors Reesman convinces her reader that they would have had a great deal to say to each other American Designs will be of interest to scholars and students of American literature North American Tunneling 2004

Levent Ozdemir, 2004-04-01 This publication includes papers from the North American Tunneling 2004 conference sponsored by the American Underground Construction Association The theme of the conference is Underground Construction the Sensible Solution to Urban Problems to reflect the increasing importance of locating urban facilities in the United States underground for enhanced security to build critical infrastructure where it is needed and to improve the function of urban areas The papers are grouped in four major themes Management of Underground Projects Public Policy and Underground Projects Advances in Technology Case Studies Trials Tribulation and Triumphs in Tunneling This work should benefit everyone involved in any aspect of infrastructure tunneling and underground construction **Just The Typical American Negro** Jun & Louise Briggs-DeHorney, 2009-10 One cannot comprehend America until they comprehend the Negro The

writer's great grandfather once said that the Negro was just like a hog they don't endure to the end Wash them up dress them proudly and tie a red ribbon around their neck but as soon as they see a mud hole they will wallow Where their spirit is where they will reside The writer's great great great grandfather who was a very wealthy Slave owner a judge and a teacher to future slave owners said it best that hope was evil He told his students to acknowledge power and to give the slave hope The Slave owner would be in power **The American Garden** ,1886 T.S. Eliot and American Poetry Lee Oser,1998

Written in a fine and lucid prose style T S Eliot and American Poetry presents a critical study of Eliot's major poems as it examines what America means to its poets Eliot's contribution to a poetic dialogue on this subject with Ralph Waldo Emerson Edgar Allan Poe Walt Whitman Hart Crane Robert Lowell John Ashbery and other literary figures plays a significant role in this groundbreaking study Investigating Eliot's literary inheritance through his familial traditions represented particularly by his mother Charlotte Eliot and in terms of the American Renaissance Lee Oser addresses all phases of Eliot's career as a poet Following an introduction that reevaluates the importance of Poe and Whitman for Eliot and modernism the discussion proceeds from Eliot's reaction against the progressive ethos of late Puritan culture to the appearance in his writing of numerous figures of exile and disinheritance as an expression of lost American patrimony to his flight from the realm of history and his eventual return to the spiritual and cultural traditions of New England A final chapter weighs Eliot's impact on Robert Lowell John Ashbery and Elizabeth Bishop Through its dialectical view of American literary and intellectual history T S Eliot and American Poetry constructs a practical methodology for comparing Eliot with other American poets Juxtaposing Eliot's poems lectures and essays including generous excerpts from Eliot's uncollected prose with landmark texts by Emerson Poe Whitman and many others Oser engages in a deeper analysis of Eliot's Americanness than has hitherto been possible In addressing Eliot's treatment of America as symbol and topos the work presents a multifaceted chronicle of Eliot's development that enriches formalist and historicist approaches alike T S Eliot and American Poetry makes numerous original contributions to the field of literary history No previous work has so richly pursued Eliot's literary and familial inheritance as well as his legacy to American poetry the result is a highly nuanced perspective on contemporary debates about poetry criticism and culture *The United States of North America. 1888* Justin Winsor,1888 **Narrative and Critical History of America: The United States of North America. 1887-88** Justin Winsor,1888 **Blackwood's Edinburgh Magazine** ,1856 *Narrative and Critical History of America: The United States of America, 1775-1782: their political struggles and relations with Europe* Justin Winsor,1888 *Reversible America* Frédéric Saumade,Jean-Baptiste Maudet,2024-07-01 Rodeo cattle ranching and bullfighting converge in the arenas of race gender and ethics in Reversible America In Southwestern California these sports manifest in spectacular expressions of transcultural interactions that continue to develop through border crossings Using an interdisciplinary scope this unique look into the subculture negotiates the paradoxes and connections between the popular American performances Iberian bullfighting and Native American hunting methods along

with the relationship between human and non human beings and systems of value across borders Scouting on Two Continents Frederick Russell Burnham, 2016-07-26 All England cheered this modest American He acquired his scouting lore warring against Apaches in Arizona After hunting gold in the Northwest and the Klondike he rode deep into the savage territory of Africa to slay the M Limbo treacherous Matabele high priest During the Boer War he performed many thrilling exploits as chief of Scouts He was honored in the friendship of Lord Roberts Theodore Roosevelt Cecil Rhodes and Dr Jameson and received the highest honors of the British Empire In this book he tells in full detail the fascinating story of his thrilling and varied career In real life he is more interesting than any of my heroes of romance SIR RIDER HAGGARD I have seldom been as much taken with a narrative REAR ADMIRAL WM S SIMS U S N I have read it all with enthralled interest THEODORE ROOSEVELT England was never made by her statesmen England was made by her adventurers GENERAL GORDON The United States of North America , 1888 **The Selected Works of Margaret Oliphant, Part I Volume 1** Joanne Shattock, 2024-05-31 Margaret Oliphant 1828 97 had a prolific literary career that spanned almost fifty years She wrote some 98 novels fifty or more short stories twenty five works of non fiction including biographies and historic guides to European cities and more than three hundred periodical articles This is the most ambitious critical edition of her work Transactions - American Game Conference , 1932 The Indian Textile Journal , 1890 *Public Statutes at Large of the United States of America* United States, 1895 Volumes for 1950 19 contained treaties and international agreements issued by the Secretary of State as United States treaties and other international agreements *Bulls in the China Shop and Other Sino-American Business Encounters* Randall E. Stross, 1992-12-01 An entertaining fact filled journey through the past two decades of Chinese and American business interaction Stross s chapters on the adoption of modern management practices in China shine for their detailed analysis and their extremely thorough use of primary Chinese language newspaper and magazine documentation His two chapters on Americans and their expatriate lives in China are also well written and complete China Review International Spring 1994 **In the Wilds of South America** Leo E. Miller, 2023-11-15 In Leo E Miller s *In the Wilds of South America* readers are transported to the lush and untamed landscapes of South America through a collection of captivating travel essays Miller s descriptive prose brings to life the diverse flora and fauna of the region as well as the indigenous cultures that call it home His detailed observations and vivid imagery offer readers a sensory experience making them feel as though they are right there alongside him in the wilds of South America This book not only serves as a travelogue but also as a work of natural history shedding light on the unique beauty and complexity of the South American continent Written in a straightforward and engaging style *In the Wilds of South America* is a must read for anyone with an interest in travel writing or the natural world Leo E Miller s deep passion for exploration and discovery shines through in his work making him a respected authority on the subject With a background in anthropology and a lifetime of travel experience Miller is uniquely qualified to offer insight into the remote corners of South America His dedication to

preserving the stories and landscapes of the region is evident throughout the pages of this book Readers who enjoy immersive travel writing that blends storytelling with scientific exploration will find *In the Wilds of South America* to be a compelling and enriching read *The Code of Federal Regulations of the United States of America* ,1939 The Code of federal regulations is the codification of the general and permanent rules published in the Federal register by the executive departments and agencies of the federal government
