## **The Tainted Light When The World Is At Risk:**

**The Inception of Time** Terri-Ann Millman, 2013-05 They are ancient beings beyond the realm of human understanding. There is a world where all worlds are created from Two brothers from this realm who are in the midst of a feud of opposing views so ancient in its inception. The Nameless One, one of the oldest of dreamers, embodies the Chaos stream, the way of manipulation and coercion. The Great Architect, a dreamer just as old, is keeper of the Benevolent stream, the way of freewill and peace. Brothers at odds, their conflict takes on a more sinister note. The Nameless One, in a fit of rage to finally prove his point, launches his Coup d'etat with a fight of epic proportions being unleashed through out the dreaming Turyia, a radiant unified light from a dimension of the finest of fabrics encounters the Nameless One. His will sharp and brutal unleashes his wrath annihilating her world, cutting her off from her destiny, sucking her into a battle not of her choosing. She now bound to several key figures in the dreaming streams has to fight for her survival. Armed with her innate sense of union, she aligns with Gaia, the human planet the brothers have chosen as their battleground. With the human race at stake as these otherworldly dreamers and their fellow ancients choose sides. Will peace reign or will Chaos turn dreams into nightmares. **Risks of**

**Temptation: A Dark Military Romance** Maggie Cole, 2021-03-16 Innocent and quiet is how everyone sees her. I did too. But the world has underestimated her. She can't stand any man's touch except mine. Once she has it, there isn't anything else she craves. And I'm unable to resist any of her wishes. But powerful men see her innocence. They will do anything to have her. And there's nowhere to run except straight into the pit of the fire. We'll both have to do things we despise. No amount of training can prepare for the evil in front of us. And I have to break her. She knows it. She agreed to it. She convinced me it's the only way out. Somehow we have to survive, escape, and put each other back together. Hopefully all the pieces fit again. **RISKS OF TEMPTATION** is the sixth jaw dropping installment in the **BEHIND CLOSED DOORS** series. Each novel is a stand alone regarding the HEA of the couple but the plot develops with each story. This steamy series is for mature readers only and is best if read in order. This series may contain situations that may be sensitive for some readers. **Trigger Warning:** This book may trigger sexual abuse survivors, no descriptive rape scenes.

**Derek Walcott** Paula Burnett, 2017-08-08 An important contribution to the study of Walcott's poetry and plays. Modernism, modernity. Walcott Burnett says has assimilated western tradition to his own project, using it to create a new plural world of open ended possibilities. A book that should be of interest to any student of Walcott's literature. *Times Higher Education Supplement*. This ambitious book takes in the full corpus of Walcott's plays, essays, interviews etc as well as the poetry and argues the essential unity of his humanistic vision. Wasafiri Burnett is very good on Walcott's aesthetic and technical strategies, particularly the mythopoeic framework of his thought and the epic form which he frequently employs. *New West Indian Guide*. Convincingly suggests that Walcott's art radiates outward from St Lucia to the West Indies, the Caribbean, Latin America and the Americas, becoming an art that honors and enlarges the English language and its multiple histories and usages. *World Literature Today*.
