

Introduction of NJASK

- The 2013 NJ ASK* will measure the Common Core State Standards (CCSS) within the current NJ ASK blueprint.
- The NJ ASK assessments are called “transitional” because we will not be able to measure the full range of the CCSS until the next generation assessments are developed and administered.
- New Jersey is a Governing state in The Partnership for Assessment of Readiness for College and Careers (PARCC). PARCC is currently developing the next generation assessments to be administered in Spring 2015.

* The NJ ASK math grades 6 through 8 will transition to the Common Core State Standards in 2013-2014.
