Growing up with the Birth of Rock and Roll offers a nostalgic look at life growing up in the fifties and sixties The narrative provides a bird s eye view as seen through the eyes of a young devotee of music as it is changing from ballroom to bandstand and from pop to rock Learn what song the FBI deemed most dangerous record ever played Consider who may have been the inspiration for the movie classic The Sandlot Tune in to the Rock Anthem that became the only song embraced by both pro war and anti war supporters embraced by groups who either supported or condemned the Vietnam war Find out what teen idol hit ranked number one as it ushered out the 50s and welcomed in the 60s Which rock star refused to sign an autograph for a veteran on Veteran s Day Experience with the author what it was like to first hear the earliest hits of our greatest rock legends and his impressions of the same encountering them five and six decades later Relive appearances by Frank Sinatra Elvis Presley and twenty nine year old Elton John as they thrill sold out audiences performing while in their prime Travel to Fort Knox Kentucky Fort Gordon Georgia and Vietnam as the author recalls the music that our veterans were listening to when they served our nation as they participated in a very unpopular war Learn how rock affected their service Feel the respect and admiration our GIs extended to Bob Hope for his dedication to our servicemen serving in harm s way by someone who attended his Christmas Day performance in 1966 Dispensing firsthand stories told to him by many of the principals present in 1959 the author shares his expertise telling the story that inspired Don McLean s epic lyrical poem American Pie

Modern Relationships Vladimir Živković,2019 Men and women evolve Their love relationships evolve too In every new era there are different behavioral norms In the modern age there is no more interesting subject for people than love and sexual relationships and achieving happiness in them The main subject of this book is bad behavioral patterns of modern people in love relationships as well as unavoidable attaining of self satisfaction and satisfaction with one s life This book consists of three parts The first part deals with generalities on men women and their dispositions Because of the inevitable question that arises related to any human being when it comes to luck love and meaning of life spirituality and God had to be a mandatory subject of this book Thus the first part is named Return to God Men and Women and it consists of texts which unite search for the meaning and spirituality of the modern man with its own wishes wants and fallacies of the modern men and women The second part of the book is even more intriguing for the mind of the modern man because it deals with sexuality games of seduction and sexual relationships of both sexes It is called Sexuality and Seduction and the title itself reveals that it s the endeavor of living positive sexuality as well as about the truth that s hidden between people playing games of seduction and manipulation The third part of the book is named Return to God Love Relationships and it is the pinnacle of this delicacy because it reveals many secrets but also mistakes that people nurture in the love relationships and due to them they cannot reach happiness and fulfillment All in all this book carries authenticity originality but also the positive experience because it reveals answers to a very big number of troubling and important questions of the modern people to which other books don t offer answers and if they do they are incomplete or wrong in the most of the cases This can already be reckoned by the incidence of misery and loneliness as well as broken marriages of people of both sexes Even if this book revolts the reader it is also useful for reading in that case Good luck
