Niv Hope For The Future New Testament Question Edition:

NIV Hope for the Future New Testament, Question Edition Zondervan Bibles, Zondervan Staff, 2015-01-06 The NIV Hope for the Future New Testament draws women into the bigger story of the Bible by offering both the redemptive story for her as a child of God as well as God's bigger story of redemption for the world. Added content points the reader to the Scriptures to find hope and peace. **Thoughts to Enlighten and Empower the Mind** Errol A. Gibbs, Philip A. Grey, 2011-06-16

Thoughts to Enlighten and Empower the Mind is a compilation of two thousand and one questions and philosophical thoughts extracted from the authors seminal work Five Foundations of Human Development. These thoughts follow the same chronology of information that helps to promote fulfilling lives through human development from spiritual, moral, social, intellectual, and physical perspectives. The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow our thoughts to permeate our minds with hope and optimism for the future of humanity. Gibbs and Grey support the premise put forward by many great writers who contend that our thoughts determine happiness and effectiveness in life. Our thoughts and our emotions have a great influence on our carnal impulses and desires. We nurture good and bad thoughts and human effort alone is insufficient to properly manage them. Negative thoughts establish barriers to communications and harmonious living. Positive thoughts radiate harmony among individuals and nations. More importantly, those in positions of great power who lead humanity must by their thoughts help to create a better world or inadvertently plunge humanity into great chaos as has been recorded in six thousand years of human history. Only a mind that is free of unhealthy thoughts transcends a life of fulfillment. Positive thoughts permeate our beings and open up new frontiers of positive leadership for the modern age. The global significance of this book is that it informs a more communal view of our world by virtue of the conditioning of our thoughts. It will help inform, enlighten, and empower the minds of leaders to embrace every field of endeavor including engineering, science, religion, politics, the military, and the environment. This will be accomplished with the most vital, creative, and positive thoughts that rise to a high level of responsibility for the betterment of all humanity. **Godmothers** Lisa Bevere, 2020-08-25

There is a role unique to women that we abandon easily. We live near each other but not with each other and not for each other. We don't want to intrude or judge and maybe we don't want to see each other truly succeed. And the world is happy with this unhappy state for women, one that pushes us to conform to a pattern of distrust, disengagement, and competition. It's no wonder we've lost ourselves and our way. In her most personal, powerful book yet, New York Times bestselling author Lisa Bevere offers a catalytic, transformative vision for women of a different way to live, one that embraces the presence of a godmother, the older, wiser women you can go to and learn from, the strong women who partner with us through life. And everyone needs one. Drawing from her own life, biblical women, and the world of fairy tales, Lisa will show you how to transform what you have into what God wants you to have, push you forward during seasons of doubt and love you enough to speak truth about God's larger, expansive view of your life. Lisa's candid

compassionate words are your best first step to living as a daughter of God surrounded by strong relationships and confidence in your calling *Adventist Review*, 2004

Messianic Revelation in the Old Testament Gerard Van Groningen, 1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated, too brief, or lack balance, observes the author. *Messianic Revelation in the Old Testament* represents the most thorough conservative analysis of the century. Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures. He first introduces the messianic concept, defining its terms and uncovering its source. He finds these messianic presentations rooted in and shaped by divine revelation. The major part of this volume explores messianism's philological, historical, and theological aspects. The result of this study, writes the author, reveals that the messianic concept refers to a royal, priestly, prophetic person and his work. Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation. The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegesis of the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths. In the words of the author, "To omit one element is to do injustice to the Old Testament." Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study. A Scripture index helps one to locate the author's exegetical insights on various passages. An index of persons concludes the work.
