*Bibliographic Guide to Government Publications* New York Public Library. Research Libraries, 1981      *Bowker's Law Books and Serials in Print* , 1984      *The Shadow of Childhood Harm Behind Prison Walls* Nancy Wolff, 2023 In *The Shadow of Childhood Harm* Wolff using a balance of compassion and evidence takes readers through the lives of people who end up inside prison Guided by the words of those who have lived the experience of harm she weaves an expansive body of research that lays bare the harm that began in childhood the curse and its subsequent shadow that later during adolescence and adulthood manifests as harm to self and others eventually culminating in crime that results in incarceration where harm there once again repeats like a bad dream      **Annual Report** New Jersey. Bureau of Parole, 1994      **AIDS and Discrimination in New Jersey** , 1988      Rethinking America's Correctional Policies Anne S. Douds, Eileen M. Ahlin, 2017-06-02 Commonsense Choices from Uncommon Voices *Rethinking America's Correctional Policies* brings together the experiences of men who served time in prison with contemporary research on correctional policy This work combines a voyeuristic desire to observe evil and the consequences of the system of punishment with detached consideration of what those stories can tell us about who we are as a nation and how we treat those who have betrayed the social trust The authors simultaneously examine first person accounts of inmate experiences with the correctional system and what actually works in operation to promote the rehabilitative and restorative models of justice so many of our policymakers espouse Each chapter opens with a vignette a recollection of an event or series of events about an inmate's experience during the various phases of correctional processing These first hand accounts have been collected from men who served time in prison These men's stories are examined in their own right then extrapolated to a broader analysis of the underlying social and policy issues to which that vignette speaks All chapters follow the same structure a opening vignette about a former inmate b analysis which includes i identification of the underlying issue ii reflection and iii extrapolation to a larger policy issue and c recommendations from the field for enacting practice and crafting policy more responsive to the identified issue      Carceral Mobilities Jennifer Turner, Kimberley Peters, 2016-12-01 *Mobilities* research is now centre stage in the social sciences with wide ranging work that considers the politics underscoring the movements of people and objects critically examining a world that is ever on the move At first glance the words carceral and mobilities seem to sit uneasily together This book challenges the assumption that carceral life is characterised by a lack of movement *Carceral Mobilities* brings together contributions that speak to contemporary debates across carceral studies and mobilities research offering fresh insights to both areas by identifying and unpicking the manifold mobilities that shape and are shaped by carceral regimes It features four sections that move the reader through the varying typologies of motion underscoring carceral life tension circulation distribution and transition Each mobilities led section seeks to explore the politics encapsulated in specific regimes of carceral movement With contributions from leading scholars and a range of international examples this book provides an authoritative voice on

carceral mobilities from a variety of perspectives including criminology sociology history cultural theory human geography and urban planning This book offers a first port of call for those examining spaces of detention asylum imprisonment and containment who are increasingly interested in questions of movement in relation to the management control and confinement of populations     Potential Risk of Occupational Exposure to the Human Immunodeficiency Virus and the Hepatitis B Virus Among Correctional Workers Patricia Haltmeier,1991     The New Jersey Title 2C Quizzer Daniel R.
