Visitors Oberon Modern Plays:

Translated and Visiting Russian Theatre in Britain, 1945-2015 Cynthia Marsh, 2020-05-18 This book tackles questions about the reception and production of translated and untranslated Russian theatre in post WW2 Britain why in British minds is Russia viewed almost as a run of the mill production of a Chekhov play Is it because Chekhov is so dominant in British theatre culture What about all those other Russian writers Many of them are very different from Chekhov A key question was formulated thanks to a review by Susannah Clapp of Turgenev's *A Month in the Country* have the British staged a Russia of the theatrical mind *The Monthly visitor, and entertaining pocket companion*, 1797 Visitors Barney Norris, 2014-11-26 On a farmhouse at the edge of Salisbury Plain a family is falling apart Stephen can't afford to put his mother into care Arthur can't afford to stop working and look after his wife When a young stranger with blue hair moves in to care for Edie as her mind unravels the family are forced to ask are we living the way we wanted Visitors is a haunting beautiful look at the way our lives slip past us Critics Circle Award 2014 for Most Promising Playwright Winner of the Best New Play Award at the Off West End Theatre Awards 2014 Shortlisted for the Evening Standard Theatre Award for Most Promising Playwright and the Writers Guild of Great Britain 2014 award for Best Play *Theater of War and Exile* Domnica Radulescu, 2015-06-26 In what ways does political trauma influence the art arising from it Is there an aesthetic of war and exile in theatrical works that emerge from such experiences Are there cultural markers defining such works from areas like Eastern Europe and Israel This book considers these questions in an examination of plays performances and theater artists that speak from a place of political violence and displacement The author's critical inquiry covers a variety of theatrical experimentations including Brechtian distancing black humor pastiche surreal and hyper real imagery reversed chronologies and disrupted narratives Drawing on postmodern theories and performance studies as well as interviews and personal statements from the artists discussed this study explores the transformative power of the theater arts and their function as catalysts for social change healing and remembrance **A Midsummer Night's Dream (incidental Music)** Felix Mendelssohn-Bartholdy, 1971 **Georg Kaiser, After Expressionism. Five Plays.** Georg Kaiser, 2016-05-20 After Expressionism had run its feverish course its foremost exponent Georg Kaiser 1878-1958 The Burgheers of Calais From Morn to Midnight Gas proved equally adept at the lighter fare demanded by post war audiences Of some nine hundred comedies premi red in the Weimar era his Pulp Fiction was an early triumph often revived and played now as parody of a contagious literary genre now as critique of Old World pieties The New Woman emerged even more clearly towards the end of the Roaring Twenties in Clairvoyance though now also as antagonist from whose vampish sophistication the loving wife emancipates both self and wayward husband Between these two comedies in One Day in October acclaimed especially in Gustav Gr ndgens's gripping production focus shifts to psychological wrestling in deadly earnest over the parentage of a child A parallel dilemma underlies the compelling plot rising tension and searing climax of Agnete an uncanny precursor of

the Heimkehrer literature inspired by soldiers and captives returning home after 1945 This was indeed a fitting play to mark the rebirth of the Federal Republic of Germany in 1949 Kaiser had died in exile though not before taking leave like Prospero with another wry comedy *The Gordian Egg* Imagining Queer Methods Amin Ghaziani, Matt Brim, 2019-08-06 Reimagines the field of queer studies by asking How do we do queer theory *Imagining Queer Methods* showcases the methodological renaissance unfolding in queer scholarship This volume brings together emerging and esteemed researchers from all corners of the academy who are defining new directions for the field From critical race studies history journalism lesbian feminist studies literature media studies and performance studies to anthropology education psychology sociology and urban planning this impressive interdisciplinary collection covers topics such as humanistic approaches to reading theorizing and interpreting as well as scientific appeals to measurement modeling sampling and statistics By bringing together these diverse voices into an unprecedented single volume Amin Ghaziani and Matt Brim inspire us with innovative ways of thinking about methods and methodologies in queer studies **The tourists' handbook to the British islands** British isles, 1880

Sikhs in Britain Gurharpal Singh, Darshan Singh Tatla, 2006-07 The history of Sikhs in Britain provides important clues into the evolution of Britain as a multicultural society and the challenges it faces today The authors examine the complex Anglo Sikh relationship that led to the initial Sikh settlement and the processes of community building around Sikh institutions such as gurdwaras They explore the nature of British Sikh society as reflected in the performance of Sikhs in the labor markets the changing characteristics of the Sikh family and issues of cultural transmission to the young They provide an original and insightful account of a community transformed from the site of radical immigrant class politics to a leader of the Sikh diaspora in its search for a separate Sikh state The Palgrave Handbook of Theatre and Race Tiziana Morosetti, Osita Okagbue, 2021-04-20 The first comprehensive publication on the subject this book investigates interactions between racial thinking and the stage in the modern and contemporary world with 25 essays on case studies that will shed light on areas previously neglected by criticism while providing fresh perspectives on already investigated contexts Examining performances from Europe the Americas the Middle East Africa China Australia New Zealand and the South Pacific islands this collection ultimately frames the history of racial narratives on stage in a global context resetting understandings of race in public discourse The Literary Tourist N. Watson, 2006-10-10 This original witty illustrated study offers the first analytical history of the rise and development of literary tourism in nineteenth century Britain associated with authors from Shakespeare Gray Keats Burns and Scott the Brontë sisters and Thomas Hardy Invaluable for the student of travel and literature of the nineteenth century *Documents of Performance in Early Modern England* Tiffany Stern, 2009-09-17 As well as play makers and poets playwrights of the early modern period were known as play patchers because their texts were made from separate documents This book is the first to consider all the papers created by authors and theatres by the time of the opening performance recovering types of script not previously known to have existed With

chapters on plot scenarios arguments playbills prologues and epilogues songs staged scrolls backstage plots and parts it shows how textually distinct production was from any single unified book And as performance documents were easily lost relegated or reused the story of a play s patchy creation also becomes the story of its co authorship cuts revisions and additions Using a large body of fresh evidence Documents of Performance in Early Modern England brings a wholly new reading to printed and manuscript playbooks of the Shakespearean period redefining what a play and what a playwright actually is
