To Whom It May Concern

I am pleased to write this letter of recommendation for Carl Evans who is interested in pursuing his Masters of Business Administration degree at City University. Carl has worked as a marketing officer under my supervision at Target Retail for 2 years.

Owing to his immense knowledge of product placement, Target Retail has seen increased sales (55%) since his joining. He has always been enthusiastic about his work and does not leave a single stone unturned when presented with a challenge. When he was first interviewed for a marketing officer position, he made it clear that further education was part of his 2 year plan and that is exactly what he is aiming for now.

I am positive that Carl will prove to be one of your brilliant students owing to his exceptional ability to pick concepts and apply them in the real world. I recommend him for the business administration program at your university, as I feel he is well-trained, ambitious and self-effacing.

If you need any further information regarding Carl's suitability, please feel free to contact me at (000) 966-5214.

Sincere regards,
