country's natural splendor but its PR is in desperate need of a makeover perhaps as much as the dirty beauty in front of him. Seeing a chance for financial freedom, Laura jumps at the opportunity. As Raheem shows off the magnificence of his land, Laura finds herself getting swept into a fairy tale full of palaces, five-star luxury, and the most sensuous sex she's ever experienced. Though she values her independence, the temptation to stay is not just for Raheem but for the beautiful country that isn't getting the attention it deserves. Holds her in place. But when the country's natural treasures are threatened, Raheem and Laura must decide what means more to them: their love for one another or their original plans.
