Krishnamurti** Jiddu Krishnamurti,J. Krishnamurti,1991 In this volume Krishnamurti takes great care to elucidate this necessity of a revolution within our consciousness where the problem lies before we expect any kind of revolutionary change outside of ourselves Krishnamurti posits that if the politicians and scientists wanted to end starvation in the world it could be done It could be done but they are not going to do it as long as their thinking is based on nationalism on motives of their own personal profit And even if this far reaching outward change were brought about it seems to me that the problem is much deeper The problem is not merely starvation war the brutality of man to man it is the crisis in our own consciousness Fundamentally the problem lies within p 295 **Hitchcock's Rereleased Films** Walter Raubicheck,Walter Srebnick,1991 Features essays from some fifteen authors written about Hitchcock and five of his most significant films Rear window Vertigo The man who knew too much Rope and The trouble with Harry **My Tapestry of Poems** Alice R. Baskin,2016-08-18 My Tapestry of Poems By Alice R Baskin Author Alice R Baskin has always loved poetry and writing and because of many changes that have touched her life she decided to translate some of those changes into poetic words that offer hope and inspiration It is her desire that My Tapestry of Poems will do just that and that it will be a force for good bringing out our better angels in return Everyone has a gift or talent and it is the author's belief that if all of us were to make a contribution of our talents and gifts for the common good of others the world would be a better place **God's Work-in-Progress Writing with the Scars** Christine A. Vassell-Morgan,2010-03 This book a compilation of poems written for the purpose of capturing and relating the story of an everyday soul A soul whose life journey experienced witnessed and envisioned the struggles and unexpected unfoldings of God These incidents and events are as real as the air we breathe Some of the depictions may be terrifying They were equally terrifying and eventually humbling for this soul The book offers solace and escape as it shares anguish and happiness miracles and bewilderment God used these trials to fashion the free spirited soul of a child into a strong empathetic and prudent woman The details captured in each stanza reveal the faithfulness of the Lord When the woman inside plunged into the deep abyss of life and groped in the parched

desert she discovered her only source of escape from life's harshness and drudge was found in God's mercy The underlying stories may cause you to cry laugh agonize and sympathize They will share God's Glory experienced by a soul who was belittled rejected ridiculed battered and torn However like items at a garage sale this once tattered soul was repurchased and is now being used by God anew Christine you have made Jesus so proud of you his light is shining through your eyes and you set a perfect example of the way he would like for us all to live our lives I am thankful he has brought in my pathway you are an inspiration to me and I'm sure others Thank you for sharing your diary with us I know that it was not easy but Jesus is going to use it for his good as well as keep you inspired to write more GOD BLESS YOU and YOURS Barbara Ferguson
