Justice R.S. Pathak inquiry report blames Natwar for misusing his position to secure oil vouchers for his son's associates Andaleeb Sehgal and Aditya Khanna from the Saddam Hussein regime in 2001.

The report says, "It is evident that the making of the allocation was influenced by Natwar Singh's letter to the Iraqi oil minister," Sehgal and Khanna gave the contracts to Swiss oil company Masefield AG, which paid them a commission.

May 2001
The oil under the contract is sold by Masefield to Vitol. On April 17, 2001, three lakh barrels are lifted by MT Hellsport Orpheum and on April 30, over 16 lakh barrels are lifted by MT Arcadian.

State of Repression Lisa Blaydes,2020-10-06 A new account of modern Iraqi politics that overturns the conventional wisdom about its sectarian divisions How did Iraq become one of the most repressive dictatorships of the late twentieth century The conventional wisdom about Iraq s modern political history is that the country was doomed by its diverse social fabric But in State of Repression Lisa Blaydes challenges this belief by showing that the country s breakdown was far from inevitable At the same time she offers a new way of understanding the behavior of other authoritarian regimes and their populations Drawing on archival material captured from the headquarters of Saddam Hussein s ruling Ba th Party in the wake of the 2003 US invasion Blaydes illuminates the complexities of political life in Iraq including why certain Iraqis chose to collaborate with the regime while others worked to undermine it She demonstrates that despite the Ba thist regime s pretensions to political hegemony its frequent reliance on collective punishment of various groups reinforced and cemented identity divisions At the same time a series of costly external shocks to the economy resulting from fluctuations in oil prices

and Iraq's war with Iran weakened the capacity of the regime to monitor, co-opt, coerce and control factions of Iraqi society. In addition to calling into question the common story of modern Iraqi politics, *State of Repression* offers a new explanation of why and how dictators repress their people in ways that can inadvertently strengthen regime opponents. **WMD, Nukes and Nuns** William Strabala, 2006 Three nuns were arrested in 2002 and sent to jail for protesting against America's own nuclear WMDs even as the Bushites were seizing on it as a rationale for starting the war in Iraq. Who is truly sabotaging US national security? Publisher's Website **One vs All** Ashok Anand, 2016-08-23 One vs All Narendra Modi: Pariah to Paragon is all truth. Ashok Anand has dissected age-old layers of ignorance, myths and ego with his surgical observation to let the truth breathe out of the diseased society. It shames the political class, bureaucracy and religious bigots. It unmasks an absolutely hypocrite society that clings to the past, despises change, lives in denial but is notorious for hidden avarice, arrogance and lust. Each chapter of this book will unfold many bitter truths. Have ever thought why a poor tea seller boy today occupying the prime minister's chair is not corrupt, greedy and foul-mouthed like most of the others in the country? How a Pariah pronounced by the anti-national political forces could become a Paragon of values? The Indian society, however ignorant and selfish, maybe needs space to evolve, grow and prosper. Would Narendra Modi be able to do that? Truth is very hard to digest. If brave enough, go ahead and read. Not a thriller. Better than a thriller. One vs All Narendra Modi: Pariah to Paragon takes the reader to the demonic world of Indian politics surrounded by the intrigues of a superstitious and ignorant society that loves dwelling in the past and detests any change. Between Immunity and Impunity Yuliya Zabyelina, 2023-12-21 Examines how high-ranking public officials commit transnational crimes and avoid accountability by exploiting international law immunities. Unilateral Sanctions in International Law and the Enforcement of Human Rights Iryna Bogdanova, 2022-07-11 The Open Access publication of this book has been published with the support of the Swiss National Science Foundation. Are unilateral economic sanctions legal under public international law? How do they relate to the existing international legal principles and norms? Can unilateral economic sanctions imposed to redress grave human rights violations be subjected to the same legal contestations as other unilateral sanctions? What potential contribution can the recently formulated doctrine of Common Concern of Humankind make by introducing substantive and procedural prerequisites to legitimise unilateral human rights sanctions? *Unilateral Sanctions in International Law and the Enforcement of Human Rights* by Iryna Bogdanova addresses these complex questions while taking account of the burgeoning state practice of employing unilateral economic sanctions.
