**One More Spring** Peter M. Kalellis, 2004-06-10 In the spring of 1941 the Nazis invaded Greece and by the end of April they had invaded most of the islands of the Aegean including the beautiful Lesbos home of young Takis Peter Kalellis While cycling to school fifteen year old Takis was horrified to see a swastika flying atop the old castle in Mytilene the island s capital city Later in the day the soldiers ransacked his home town of Moria and a Nazi lieutenant confiscated his bike That night under cover of darkness Takis violated the curfew to remove the direction signs erected by the Germans So began the struggle against the invaders This riveting account of fighting and enduring the occupation is both a memoir of harrowing times and a story of Kalellis and his three idealistic fiercely loyal young friends who defy the invading powers and suffer the consequences of imprisonment and torture It is also the story of the people of the ancient city of Mytilene who cling to the hope of liberation and freedom for three long years On September 10 1944 Lesbos was officially liberated The four young men who survived the occupation were able to see the emancipation of their beloved homeland and life gradually returned to normal as they went their separate ways As Takis left for America his comrade Papavasile handed him a small vial saying Take this with you Takis It is a little vial of earth Greek earth You can look upon it as an amulet to ward off evil and grief There is nothing more precious my son than this little piece of Greece cooled by nocturnal winds baptized in the blood of the brave and scented by Aegean breezes Takis kissed his hand I ll keep it close to my heart and draw strength from it And some day Papavasile responded come back to us

*Perspectives on Nonverbal Learning Disability in Children and Young Adults* Rissman, Barbara, 2015-09-04 This book is a comprehensive reference source for emerging research in the identification diagnosis and intervention of nonverbal learning disabilities featuring in depth coverage on a variety of topics relating to intact nonverbal skills Nonverbal Learning Disability indicators disability manifestation and the dilemmas faced by caregivers and professionals Genocide in Contemporary Children's and Young Adult Literature Jane Gangi, 2014-03-14 This book studies children's and young adult literature of genocide since 1945 considering issues of representation and using postcolonial theory to provide both literary analysis and implications for educating the young Many of the authors visited accurately and authentically portray the genocide about which they write others perpetuate stereotypes or otherwise distort demean or oversimplify In this focus on young people's literature of specific genocides Gangi profiles and critiques works on the Cambodian genocide 1975-1979 the Iraqi Kurds 1988 the Maya of Guatemala 1981-1983 Bosnia Kosovo and Srebrenica 1990s Rwanda 1994 and Darfur 2003 present In addition to critical analysis each chapter also provides historical background based on the work of prominent genocide scholars To conduct research for the book Gangi traveled to Bosnia engaged in conversation with young people from Rwanda and spoke with scholars who had traveled to or lived in Guatemala and Cambodia This book analyses the ways contemporary children typically ages ten and up are engaged in the study of genocide and addresses the ways in which child survivors who have witnessed genocide are helped by literature that mirrors their experiences Adult Supervision Required - A Romantic Comedy Sarah Peis, 2021-05-06 There's only one thing Nora Lindberg dislikes more than running out of chocolate and that's Sebastian York It wasn't always that way Because not too long ago she thought he was the sexiest man she'd ever met But when she gets in trouble with the local motorcycle club Sebastian turns out to be more than just a bouncer at the nightclub she waitresses at Forced together to clean up the mess her ex created she finds that opposites attract And sometimes they're combustible But falling for the guy who holds her life in her hands would be a bad decision Wouldn't it romantic comedy motorcycle club single mom romance broody hero enemies to lovers forced proximity **Suffering in Silence** Donna Mac LCPC, 2015-09-29 Selective mutism is an anxiety disorder and it's currently one of the most misunderstood under diagnosed and undertreated mental health conditions When children with selective mutism feel expected or pressured to speak in social situations they become terrified Therefore their level of anxiety significantly increases but by remaining silent their anxiety level slightly decreases obtaining some relief for themselves For these children remaining silent is actually an ineffective coping mechanism or a maladapted solution to create a sense of safety within themselves Hence their mouths freeze and they are silent This is temporary relief but longitudinally these children suffer in silence Due to the fact that many children will display normative shy behavior or even socially anxious behavior at times it can be challenging to discern if the child's behavior falls within normal limits or if the child actually demonstrates clinically significant behavior signifying a selective mutism diagnosis This can be confusing for parents teachers and even clinicians This manual is meant to help clarify this
