Guidelines and Resources for Transition Planning Hawaii Interagency Transition Project, 1998* **Transition**
Resource Guide ,1992 **Transition Guidelines** ,2014 The Government's 2008 inquiry into transition practices across
early childhood services found that children with disability or additional needs and their families experienced variation and
inconsistencies when they moved from one service to another or between programs These Transition Guidelines were
developed as a response to that concern with a view to ensuring families and service providers are informed and work
consistently together in the best interests of every child They have since been reviewed and updated in 2014 to ensure
information remains current *Family Information Guide to Assistive Technology and Transition Planning* *Planned*
Transitions are Smooth Transitions!. , Family Information Guide to Assistive Technology and Transition Planning *Planned*
Transitions are Smooth Transitions Brought to you by The Family Center on Technology and Disability Assistive Technology
Works About the Family Center on Technology and Disability The Family Center on Technology and Disability FCTD
produces and distributes a range of informational resources on the subject of assistive The Center's goal is to strengthen the
ability of organizations throughout the country to provide current accurate and useful technology related services resources
and materials to the families of children with disabilities The focus of the guide is on the role of assistive technology AT
during those times how to consider your child's evolving AT needs how to identify and address the AT issues that will arise as
your child makes a transition and how to develop and implement an AT transition plan They include such information as
6 Family Center on Technology and Disability The child's current ability level Measurable annual goals outcomes and results
for the child and the family along with an agreed upon timeline Available intervention services and or special education
provider to meet the identified needs of the child Consideration of whether AT is needed to assist in the student Who will
identify those resources and facilitate the transition process Who will provide the necessary training to integrate the
technology in the workplace and or community The people involved in answering these questions are critical to the success
of the transition and should be present at any planning meeting **Transition Resource Materials/video Guide** Saint

Paul Public Schools, Saint Paul Public Schools. District Materials Center, 1997*
