The Laws of Attraction Michael Ross, 2013-05-17 If I asked you to create a list of everything in life that you love where would you place your soul Is it at the top bottom somewhere in the middle or no entry at all Do you know who you really are or how to properly use your gifts and talents Are you going to give your soul what it craves or just choose to satisfy your natural appetite Deep inside of you resides a person that hungers for something more than this life can ever give Every day we make choices and today I want to extend this invitation to all of you that are currently seeking a new direction in your life Join me as we discover the path to your purpose because your destiny isnt lost its just waiting for you to unlock the door Make this manual your choice and allow its pages to inspire you My book works from the premise What the eyes see the mind considers What the mind considers the heart accepts What the heart accepts the body does

Tropologia Benjamin Keach, 1856 *Beyond Science Fiction!* Jim Wilhelmsen, 2009

Jim has had a lifelong interest in UFOs since he was a child in the late 50s. This led to his current position as a Religious Research specialist for the Mutual UFO Network since 1996. He is also a member of the alumni at Central Bible College and was ordained by the Independent Assemblies of God in 1980. An avid reader, Jim is experienced and comfortable with studying the Bible in its original languages and spending hours in research as a hobby. Originally from Detroit, Michigan, Jim founded and served in one of the nation's first evangelical Christian Motorcycle clubs in the early 70s which appeared on the 700 club. Jim served as Pastor in the inner city of Detroit working within the counter cultures associated with drugs and gangs. He has had almost 30 years experience working in deliverance ministries engaged in spiritual warfare that have enabled many to be set free from these bondages. Taking this experience with him into the investigation of UFOs and Alien abductions, Jim has become actively involved within the UFO community. With two other colleagues, The Alien Abduction Crises Centers of America was founded. This is a nation wide network to provide Biblical based support and help for abductees after receiving terminations of their abduction experiences from the Biblical based counseling they provide as a free service. Jim has also traveled across the US providing Biblical based information at UFO conventions which led to setting up a book store museum in Roswell, NM where he lived for four years. This book is the result of over ten years intensive first hand investigation and study of the subject and the people involved. It promises to be one of the most comprehensive scripturally backed books written so far that weaves many different topics into one story of Paradise lost and found. Not since the great flood of Noah has there been such an elaborate deception put upon mankind. This book exposes it all for your consideration. Unlike many sensational books that leave you left in fear and hopelessness, this book will leave you with hope and answers for the fearful things described and soon to fall upon an unsuspecting planet.

Covenant of Care Maxine Lantz, 2012-06

Just Traveling Jaco J. Hamman, 2021-08-17

Just Traveling celebrates overcoming distance and seeking difference as defining human traits. Following the scriptural witness of God as the Earthroamer, the book explores the liminal qualities of traveling through six movements: anticipating, leaving, surrendering, meeting, caring, and returning. To travel is to move at the speed of being present to one's experiences, bridging distance and difference through acts of care. Drawing on personal experience as well as the wisdom of theology, anthropology, psychology, philosophy, and cultural studies, Hamman reimagines travel in a welcoming and beautiful yet also complex and troubled world. Whether leaving home serves our wanderlust and

curiosity or has personal or spiritual purposes whether we travel a few miles or cover vast distances we travel best when we contribute to human flourishing Care the compassionate reaching out to someone or something is the practice that allows one to travel differently The spirituality of roads is filled with hopeful restorative potential and life is best lived with the Earthroamer

Along Life's Way Blyn Brown, 2019-09-09 Today not yesterday or tomorrow is always your best day when you are on God's pathway for your life And there's not a better time than right now to evaluate where you are in that plan and to prepare yourself for the journey ahead In beginning each day remember it's not just another day Rather it's fresh and new containing the next predesigned segment of God's will for your life in walking with Him in a side by side relationship through the leading and empowering of the Holy Spirit One of the most amazing revelations is that God will take you where you are right now and move you forward with His favor upon your calling and nothing short of that That is if you make the decision to say yes to His call of salvation and service In doing so it's promised that God will make all grace abound to you so that in all things and at all times you will have what you need to abound in every good work You are one of a kind and of highest value to your Savior in the uniqueness you'll bring to His plan for creation It is God's utmost desire that you fulfill His will call purpose and plan that He has reserved for your life And this isn't difficult to do for God's will is simply receiving and putting into action His biblical promises of hope The promises of God reward and empower you to carry out His purpose on Earth I'm confident that through the leading and gifting of the Holy Spirit Along Life's Way will help equip direct and encourage you to move forward with the daily satisfaction and joy in knowing that you're fulfilling God's divine plan for who you are in Christ Jesus as you travel with Him through life's journey

More Savoring God Kathleen Finley, 2012-07-26 What does a clock or calendar a map a newspaper or bandage a set of measuring cups or a basket have to do with prayer Kathleen Finley not only tells about how to pray with all our senses but also shows us how using Scripture as well as factual information about a wide variety of everyday objects to help us take seriously how everything has the potential to be holy in light of Jesus incarnation If folding your hands and closing your eyes doesn't always work for you as a posture of prayer this excursion into new possibilities for prayer may be for you

Alpha and Omega God Mathewos T. Abera, 2012-07 The book is about the Alpha and Omega God It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities I started to write about this supernatural and omnipotent God from the beginning which is unknown time I then proceeded in writing all the way to the time of eternity In the book I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now

Leadership, God's Agency, and Disruptions Mark Lau Branson, Alan J. Roxburgh, 2021-02-16 Leaders in congregations and Christian organizations wrestle with an unraveling of the world in which they have little experience and training While they are offered unending resources by experts on leadership some with claims to biblical blueprints the challenges seem mismatched to those methods Branson and Roxburgh frame the situation as one in which modernity's wager the conviction that God is not necessary for life and wisdom and meaning has defined the Western imagination Because churches and leaders are colonized by this ethos even when God is named and beliefs are claimed approaches to leadership are blind to God's agency Branson and Roxburgh approach this challenge as a work in practical theology attending to our cultural context narratives of God's disruptive initiatives in Scripture and a reshaping of leadership theories with a priority on God's agency With years of experience as teachers consultants and guides they name practices which lead to more faithful participation Leadership God's Agency and Disruption is wide ranging in cultural and biblical scholarship challenging in its engagement with numerous leadership studies and practical with its focus toward the on the ground life of churches and organizations KNOWING AND FOLLOWING GOD'S WILL GODSWORD GODSWILL ONU, **THE LAWS OF GOD'S KINGDOM** GODSWORD GODSWILL ONU, 2015-03-22 When we talk of the Laws of God's Kingdom we are speaking of Rules which people who are in the Kingdom of God must obey or follow The Rules instruct and command us on how things must be done or the things that are allowed in it The Laws of God's Kingdom also refer to how things happen in the Kingdom of God In other words the Laws of God's Kingdom describe the outcomes or resultant effects of doing this and that or not doing this and that Some things may happen in your life which you did not expect or which you may not explain but it may just be that an existing Law in the Kingdom of God has worked God has magnified and exalted His Word above all His Name Therefore be careful not to go against the Laws of the Kingdom of God **GIVING TO GOD AND TO MEN** GODSWORD GODSWILL ONU,
