**Trb 2015 2016syllabus:**

**Selected Topics in Inorganic Chemistry - Part II** Dr. A. AHMED RAZA & Dr. SEENU RAVI, 2024-09-05 This book is for the postgraduate students of chemistry aspiring to crack competitive examinations such as CSIR NET GATE SLET SET and PhD entrance examinations. Presently admission to PhD programs in premier institutions like IITs NITs CSIR laboratories central universities and state universities is based on either NET GATE certificate or PhD entrance examinations. Further the minimum eligibility criteria laid by UGC for the direct recruitment of Assistant Professors in the higher educational institutions is a postgraduate degree with NET SLET SET certificate. Thus the students are bound to pass these examinations to pursue a bright career either in research or in academic teaching. The cut off for qualifying these exams is 40 to 50%. However the qualifying percentage of the candidates appearing for these examinations is around 5% only. Therefore an attempt has been made by authors to develop study material pertaining to the syllabus of these exams along with the solved problems from the previous year question papers which will guide the students to qualify easily.
