Treasures of the Yen-ching Harvard-Yenching Library, Mikael S. Adolphson, 2003 The Critic ,1894 *The Critic* Jeannette Leonard Gilder, Joseph Benson Gilder, 1894 **Critic and Good Literature** ,1894 Threatened Masculinity from British Fiction to Cold War German Cinema Joseph Willis, 2019-05-30 The impact of the Cold War on German male identities can be seen in the nation's cinematic search for a masculine paradigm that rejected the fate centered value system of its National Socialist past while also recognizing that German males once again had become victims of fate and fatalism but now within the value system of the Soviet and American hegemonies that determined the fate of Cold War Germany and Central Europe This monograph is the first to demonstrate that this Cold War cinematic search sought out a meaningful masculine paradigm through film adaptations of late Victorian and Edwardian male writers who likewise sought a means of self determination within a hegemonic structure that often left few opportunities for personal agency In contrast to the scholarly practice of exploring categories of modern masculinity such as Victorian imperialist manliness or German Cold War male identity as distinct from each other this monograph offers an important comparative corrective that brings forward an extremely influential century long trajectory of threatened masculinity For German Cold War masculinity lessons were to be learned from history namely from late Victorian and Edwardian models of manliness Cold War Germans like the Victorians before them had to confront the unknowns of a new world without fear or hesitation In a Cold War mentality where nuclear technology and geographic distance had trumped face to face confrontation between East and West Cold War German masculinity sought alternatives to the insanity of mutual nuclear destruction by choosing not just to confront threats but to resolve threats directly through personal agency and self determination *History, Fiction Or Science?* A. T. Fomenko, 2005 The author posits that all generally accepted chronology before the 16th century is in error by hundreds or thousands of years The Women Who Saved Catholic England Martyn R. Beardsley, 2025-01-16 Much has been written about the historical persecution of Catholics Priests in particular became prime targets during the heightened tensions of the Armada and the Gunpowder Plot But those whom they relied on for shelter have received little attention until now The underground network of lay supporters the Catholic Resistance mostly comprised courageous women of the great and sometimes not so great families of England and their houses riddled with priest holes These women fought a cat and mouse game with spymasters like Walsingham and Cecil and their spider's web of clandestine informants knowing that one slip might lead to arrest torture and execution The indomitable Anne Vaux and her sister Eleanor provide the focus of this story but there were

others including their niece Frances who as an 11 year old boldly confronted armed raiders in search of priests and Margaret Clitherow of York arrested during a similar search and ultimately pressed to death To escape the clutches of Elizabeth's brutal torturer Richard Topcliffe and others like him men like Father John Gerard whose zipwire escape from the Tower of London is the stuff of Tom Cruise films and genius priest hole creator Little John turned to these Sisters of Mercy *Rivers West (Louis L'Amour Lost Treasures)* Louis L'Amour,2025-09-30 His dream was to build magnificent steamboats to ply the rivers of the American frontier But when Jean Talon began his journey westward he stumbled upon a deadly conspiracy involving a young woman's search to find her missing brother and a ruthless band of renegades Led by the brazen Baron Torville this makeshift army of opportunists is plotting a violent takeover of the Louisiana Territory Jean swears to find a way to stop this daring plan If he doesn't it will not only put an end to all his dreams it will change the course of history and destroy the promise of the American frontier Louis L'Amour's *Lost Treasures* is a project created to release some of the author's more unconventional manuscripts from the family archives In *Louis L'Amour's Lost Treasures Volumes 1 and 2* Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories novels and treatments that his father was never able to publish during his lifetime L'Amour's never before seen first novel *No Traveller Returns* faithfully completed for this program is a voyage into danger and violence on the high seas Additionally many beloved classics are being rereleased with an exclusive *Lost Treasures* postscript featuring previously unpublished material including outlines plot notes and alternate drafts These postscripts tell the story behind the stories that millions of readers have come to know and cherish [Littell's Living Age](#) Eliakim Littell,Robert S.
