The New Testament Devotional Commentary, Volume 2 Bo Giertz, Bror Erickson, 2022-08-09 Bo Giertz wrote these commentaries in retirement after a lifetime of studying the Greek New Testament These accompanied his own translations of the New Testament This volume covers the Gospel of John through to Second Corinthians Many have previously enjoyed Giertz's Romans commentary that is also included here and they will not be disappointed with his treatment of the other texts Giertz's views were heavily shaped by his mentor Anton Fridrichsen who wanted to counter both the liberalism of men like his friend Rudolph Bultmann and the neo orthodoxy of Karl Barth with Biblical Realism Biblical Realism sought to avoid the pitfalls of biblicism by allowing for academic freedom while studying scriptures while also maintaining that the events of the Bible were true events that happened in our history all centered upon the death and resurrection of Christ The scriptures are therefore a salvation history meant to declare to you a message by which you will be saved you and your household Acts 11:14

Journey from Heartache to Hope Elizabeth G. Danielsen, 2015-02-13 Witness God's miraculous healing power Have you ever asked yourself if God still performs miracles Experience the remarkable stories of pain and grief that have been transformed to celebrations of joy in Christ Your spirit will be renewed by the faith of people in devastating situations that should rob them of happiness and comfort but instead bring strength and courage to their lives Travel the twisted road of grief with people who have experienced the suffering that life can bring and have discovered the path of healing In today's society grief is frequently swept aside to avoid awkward moments and cover our inability to cope Faith communities friends and family are often unprepared for the depth of pain that can be experienced and many in need of comfort do not receive it Journey from Heartache to Hope illustrates what is possible when people learn to rely on God to provide them with the arms of comfort He is the safe place for us to mourn grow and live our lives in peace Share in the journey of unbearable pain and you will be amazed at the glory of God You will be given the details usually reserved for the ears of the counselors who guide individuals

through the complex tragedies that life can bring Feel the changes of the spirit and rejoice in the healing that only the Lord can provide Join us on the journey from heartache to hope **The Word of God for the People of God** ,2010-01-04 This book fills a real need for pastors and students Though there is currently a large body of material on the theological interpretation of Scripture most of it is highly specific and extremely technical J Todd Billings here provides a straightforward entryway for students and pastors to understand why theological interpretation matters and how it can be done A solid constructive theological work The Word of God for the People of God presents a distinctive Trinitarian participatory approach toward reading Scripture as the church Billings s accessible yet substantial argument for a theological hermeneutic is rooted in a historic vision of the practice of scriptural interpretation even as it engages a wide range of contemporary issues and includes several exegetical examples that apply to concrete Christian ministry situations

Broken Jar Jan Doke,2009-07-15 Broken Jar is for those who wish to be transformed by the Potter from a showboat into an ark of testimony for Him It is for earthen vessels who know that to be continually molded by His hands even broken and reformed if need be is the only way to keep bearing His hallmark the only way to continue glorifying the true Potter From January through December these daily devotionals anchored deeply in the Word of God ask challenging questions about growing pains and comfortable stagnation Are we allowing the Potter to do as He pleases with us the clay Do we trust Him to put pressure where it is needed to mold us to His liking or do we stiffen at and shrink from His touch When we arrive at a shape we like do we grow so proud and possessive of this present form that we disengage ourselves from the wheel to harden into an independent and finished pot to remain permanently fixed This book is for those jars who refuse to stay fixed Jan Doke is a retired high school English Bible Literature teacher She lives in Belton Texas with her husband Larry When she is not writing she enjoys studying and teaching the Bible speaking at women s retreats mentoring at a drug rehab center traveling hiking fishing cooking and playing with her five grandchildren She has been published in Christian Woman magazine and is currently working on her first novel Out of the Chute in Azalea Heights **The Evangelical Parallel New**
