Teaching Literature to Adolescents Alan B. Howes, 1972 **America Toons In** David Perlmutter, 2014-04-01 Animation has been part

of television since the start of the medium but it has rarely received unbiased recognition from media scholars More often it has been ridiculed for supposedly poor technical quality accused of trafficking in violence aimed at children and neglected for indulging in vulgar behavior These accusations are often made categorically out of prejudice or ignorance with little attempt to understand the importance of each program on its own terms This book takes a serious look at the whole genre of television animation from the early themes and practices through the evolution of the art to the present day Examining the productions of individual studios and producers the author establishes a means of understanding their work in new ways at the same time discussing the ways in which the genre has often been unfairly marginalized by critics and how especially in recent years producers have both challenged and embraced this marginality as a vital part of their work By taking seriously something often thought to be frivolous the book provides a framework for understanding the persistent presence of television animation in the American media and how surprisingly influential it has been

Emergency! Richard Yokley, Rozane Sutherland, 2007-05 The hit television show that helped revolutionize emergency medical care in the streets is still a favorite with fans all over the world When the show premiered in 1972 fire department paramedic services were being piloted in just a handful of cities By 1977 over 50% of the US population was within 10 minutes of a paramedic unit The paramedics of Fire Station 51 showed viewers critical techniques such as CPR that saved lives both on screen and off

Newsweek, 2008 **Scientific Americans** Sharon A. Hill, 2017-11-28 In the 21st century reality television and the Internet have fed public interest in ghosts UFOs cryptozoology and other unusual phenomena By 2010 roughly 2000 amateur research and investigation groups formed in the U S ghost hunters Bigfoot chasers and UFO researchers using an array of supposedly scientific equipment and methods to

prove the existence of the paranormal American culture's honorific regard for science coupled with the public's unfamiliarity with scientific methods created a niche for self-styled paranormal experts to achieve national renown without scientific training or credentials. The author provides a comprehensive examination of the ideas, missions, and methods promoted by these passionate amateurs.

Agnes Moorehead on Radio, Stage and Television Axel Nissen, 2017-12-14 In a career spanning six decades, Agnes Moorehead (1900-1974) was perhaps unique among 20th-century American actresses in making her name in four entertainment media: radio, theater, film, and television. After age 40, focusing on 25 of her most representative performances, this retrospective analyzes her work on radio serials like *Mayor of the Town* (1942-1949) and *Suspense* (1942-1962), her stage productions of *Don Juan in Hell* and *Gigi*, her television appearances on *Bewitched* and *The Twilight Zone*, and her Emmy-winning appearance on *The Wild Wild West*. The author presents Moorehead's roles in the context of her personal life, discusses her relationship with directors, producers, and other performers, and provides little-known facts about the productions.
