African Theatre and Politics: The evolution of theatre in Ethiopia, Tanzania and Zimbabwe Jane

Plastow,2023-01-30 This study the first book length treatment of its subject draws on a large base of elusive material and on extensive field research It is the result of the author s wide experience of teaching and producing theatre in Africa and of her fascination with the ways in which traditional performance forms have interacted with or have resisted non indigenous modes of dramatic representation in the process of evolving into the vital theatres of the present day A comparative historical study is offered of the three national cultures of Ethiopia Tanganyika Tanzania and Rhodesia Zimbabwe Not only scripted drama is treated but also theatre in the sense of the broader range of performance arts such as dance and song The development of theatre and drama is seen against the background of centuries of cultural evolution and interaction from pre colonial times through phases of African and European imperialism to the liberation struggles and newly won independence of the present The seminal relationship between theatre society and politics is thus a central focus Topics covered include the function in theatre of vernacular and colonial languages performance forms under feudal communalist and socialist regimes cultural militancy and political critique the relationship of theatre to social elites and to the peasant class state control funding and censorship racism and separate development in the performing arts contemporary performance structures amateur professional community and university theatre Due attention is paid to prominent dramatists theatre groups and theatre directors and the author offers new insight into African perceptions of the role of the artist in the theatre as well as dealing with the important subject of gender roles in drama in performance ritual and in theatre practice The book is illustrated with contemporary photographs
