Swing Trading for Beginners Alpha Bull Traders, 2019-07-01 How to Get All the Benefits of Day Trading without the Downside Risk Would you jump out of an airplane without a parachute Then why would you start making trades online before you learned what you were doing It's crazy But with deep discount brokers making it look so easy for individual investors it's no wonder consumers today are lulled into a false sense of security Opening an online account is the easy part It's making successful trades that's the hard part Don't leave your money in the hands of crooked financial advisors and greedy fund managers who charge high fees for low returns With the new economy comes new trading rules You can't rely on outdated textbooks and strategies anymore But if you adapt you can make a considerable fortune with these new market conditions Here's the deal Swing trading requires less start up capital than day trading And unlike day trading swing trading plays out over a few days or a week which gives you much more room for error Making it far more beginner friendly with an easier learning curve It's also ideal if you have a family or want to start in your spare time Here's just a fraction of what you'll discover inside The best brokerage accounts for swing traders setting this up right can save you 1000 a year in commissions How social media moves asset prices and how to always be first to act on these do this and you'll almost always ensure lower entry prices than your competition The only 3 strategies you need for swing trading success despite what everyone else tells you it's these 3 which will bring 90% of your profits How to always ensure the right entry position for a trade The magic trading number If you win this percentage of your trades you'll make massive profits lower than you think How to spot under or overvalued stocks with 99% accuracy The secret to finding your trading edge hint the risk reward ratio isn't enough When to invest and more important when NOT to invest like Warren Buffett The 10 best traders to follow on Twitter for maximum profit opportunities How to trade like a financial institution even if you're just doing this in your spare time Chart patterns that provide trading opportunities How to master the emotional side of trading A

simple technique you can do in just 5 minutes a day This is used by top hedge fund traders and almost always guarantees an increase in your percentage of winning trades Understanding recent tax law changes and their impact on your business in plain English How to let the market do the work for you an effective passive trading strategy and much much more You may have experienced various obnoxious and even misleading advertisements of easy get rich trading strategies This is not one of those You won't have to spend thousands on expensive trading software or magic bullet systems In fact you can get started using an online trading account and use free websites for your information you'll find the best two in Chapter 7 You will build up both your skills and confidence with practical how to approaches All written in plain easy to understand English So if you want to make money in your spare time and have fun while doing it scroll up and click add to cart

Online Trading Masterclass Alpha Bull Traders, 2019-08-19 Most financial trading books read more like an infomercial than a book this is different Would you jump out of an airplane without a parachute Then why would you start making trades online before you learned what you were doing It's crazy But with deep discount brokers making it look so easy for individual investors it's no wonder consumers today are lulled into a false sense of security You can't rely on outdated textbooks and strategies anymore But if you adapt you can make a considerable fortune with these new market conditions Here's just a fraction of what you'll discover inside The best brokerage accounts for swing traders setting this up right can save you 1000 a year in commissions How social media moves asset prices and how to always be first to act on these do this and you'll almost always ensure lower entry prices than your competition The only 3 strategies you need for swing trading success despite what everyone else tells you it's these 3 which will bring 90% of your profits How to always ensure the right entry position for a trade How to spot under or overvalued stocks with 99% accuracy The magic trading number If you win this percentage of your trades you'll make massive profits lower than you think The secret to finding your trading edge hint the risk reward ratio isn't enough When to invest and more important when NOT to invest like Warren Buffett The 10 best traders to follow on Twitter for maximum profit opportunities The 1 thing new traders miss about aftermarket trading Get this right and you'll have a huge advantage How to set a proper stop loss so you don't get stopped out prematurely One of the biggest mistakes new traders make is having a stop loss which is too tight Do this instead and you'll profit when the market moves in your favor The zen trader strategy which makes you immune to losses which although rare will occur with any trading plan A useful yet barely known website which breaks company news faster than relying on mainstream news services How to use the other 80/20 rule to profit from short term price movements 3 profit securing lessons you can learn from the DOTCOM bubble Why a new trader should never trade cryptocurrency How one trader made 1.4 million in a single day with 1 options trade and why you shouldn't try to replicate their strategy Hedge Fund Style money management for absolute beginners How to profit from legal marijuana all the upside of cannabis growing companies but without the red tape and volatility A simple technique you can do in just 5 minutes a day This is used by top hedge fund traders and almost always guarantees an increase in your

percentage of winning trades A backdoor technique which lets the market do the work for you an effective passive trading strategy and used by Wall Street all the time and much much more You may have experienced various obnoxious and even misleading advertisements of easy get rich trading strategies This is not one of those You won t have to spend thousands on expensive trading software or magic bullet systems In fact you can get started using an online trading account and use free websites for your information you ll find the best two in Chapter 7 All written in plain easy to understand English So if you want to make money in your spare time and have fun while doing it scroll up and click add to cart

Day Trading for Beginners & Dummies Glenn Nora,2019 Day trading on the stock market is one of the best trading environments because it has very few regulations for new traders As long as you have a stable internet connection a computer and a little cash you can freely join other day traders However doing this does not assure you of profits Quite a number of things need to be accomplished before you can celebrate success Intraday trading has the capacity to help you attain a big leverage as the rate of return on your investments can be quite high However it can also go the other way and cause you to lose out on a lot of money to poor investments It is up to you to make the right choices and invest your money wisely and this book will set you on the right path
