Trevor Manuel Marriage:

Choice Not Fate The Life and Times of Trevor Manuel Pippa Green, 2012-10-09 Trevor Manuel became South Africa's first black finance minister in 1996 a time when the economy threatened to spiral into a debt trap It took five years before Manuel could present his first good news Budget in Parliament He described that Budget as a tale of irrevocable and powerful transformation a tale of patience and obstinacy of determination and hope Of choice not fate He could have been telling the tale of his own life Born into a working class family on the Cape Flats his family's story embodied the fate that befell thousands of people classified coloured under apartheid Homes lived in and lost under the cruel Group Areas Act a mother who struggled to bring up her children on a garment worker's wages clashes with gangsters who roamed the streets of the Flats a truncated education Manuel stared down fate and internecine Western Cape politics to become one of the most prominent anti apartheid leaders in the internal resistance movement of the 1980s He confronted apartheid's police and prisons with a boldness that sometimes bordered on recklessness After Nelson Mandela was released from prison in 1990 Manuel rose quickly through the ranks of the African National Congress becoming a member of Mandela's first cabinet When Mandela appointed him minister of finance in 1996 business leaders sneered at his lack of qualifications and experience When he drove through a tough macroeconomic plan in a post apartheid South Africa some of his own constituency turned on him Obstinate and patient he saw out the worst until the economy began to turn Under his stewardship South Africa entered its longest growth period ever By 2007 he was the world's longest serving minister of finance and across the world the most respected African finance minister

The Zuma Years Richard Calland, 2013-08-16 The face of power in South Africa is rapidly changing for better and for worse The years since Thabo Mbeki was swept aside by Jacob Zuma's coalition of the wounded have been especially tumultuous with the rise and fall of populist politicians such as Julius Malema the terrible events at Marikana and the embarrassing Guptagate scandal What lies behind these developments How does the Zuma presidency exercise its power Who makes our foreign policy What goes on in cabinet meetings What is the state of play in the Alliance is the SACP really more powerful than before And as the landscape shifts what are the opposition's prospects In *The Zuma Years* Richard Calland attempts to answer these questions and more by holding up a mirror to the new establishment by exploring how people such as Malema Chief Justice Mogoeng Mogoeng and DA parliamentary leader Lindiwe Mazibuko have risen so fast by examining key drivers of transformation in South Africa such as the professions and the universities and by training a spotlight on the toxic mix of money and politics *The Zuma Years* is a fly on the wall insider's approach to the people who control the power that affects us all It takes you along the corridors of government and corporate power mixing solid research with vivid anecdote and interviews with key players The result is an accessible yet authoritative account of who runs South Africa and how today

one of the wealthiest towns in South Africa and arguably the cradle of Afrikanerdom This is the birthplace of apartheid leaders intellectuals newspaper empires and more He then closely examines this club of billionaires Who are they and crucially how are they connected What network of boardroom membership alliances and family connections exist Who are the old guard and who are the inkommers and what about the youngsters desperate to make their mark He looks at the collapse of Steinhoff what went wrong and whether there are other companies at risk of a similar fate He examines the control these men have over cultural life including pulling the strings in South Africa rugby S.A. world This book reveals patriarchy's many faces in the age of globalisation exploring the political systems and cultures of eight very different societies It takes readers from the extraordinary anti capitalist women's revolution in Kurdistan to the theocracies of Islamic State and Saudi Arabia from China's one party state to Iceland's democracy and to South Africa Russia and El Salvador all radically changed since the fall of apartheid communism and military dictatorship respectively Despite patriarchy's remarkable shapeshifting powers to undermine feminist solidarity Planet Patriarchy is equally a story of sisterhood and resistance interviewing defenders of women's rights about their cause and their country Gender inequality endures everywhere but so does feminism Campbell and Gupta's fascinating discoveries show us how this timeless showdown is taking shape in and being shaped by the systems we live under today **Drum**, 2009 **Nelson Mandela**

among the most inspiring historical figures of the twentieth century Looting Africa Patrick Bond,2013-04-04 Despite the rhetoric the people of Sub Saharan Africa are become poorer From Tony Blair s Africa Commission and the Make Poverty History campaign to the Hong Kong WTO meeting Africa s gains have been mainly limited to public relations The central problems remain exploitative debt and financial relationships with the North phantom aid unfair trade distorted investment and the continent s brain skills drain Moreover capitalism in most African countries has witnessed the emergence of excessively powerful ruling elites with incomes derived from financial parasitical accumulation Without overstressing the mistakes of such elites this book contextualises Africa s wealth outflow within a stagnant but volatile world economy

South African Pressclips ,1991-05 **South Africa's Brave New World** R. W. Johnson,2010 The universal jubilation that greeted Nelson Mandela s inauguration as president of South Africa in 1994 and the process by which the nightmare of apartheid had been banished is one of the most thrilling hopeful stories in the modern era peaceful rational change was possible and as with the fall of the Berlin Wall the weight of an oppressive history was suddenly lifted R W Johnson s major new book tells the story of South Africa from that magic period to the bitter disappointment of the present As it turned out it was not so easy for South Africa to shake off its past The profound damage of apartheid meant there was not an adequate educated black middle class to run the new state and apartheid had done great psychological harm too issues that no amount of goodwill could wish away Equally damaging were the new leaders many of whom had lived in exile or in prison for much of their adult lives and who tried to impose decrepit Eastern Bloc political ideas on a world that had long moved on This disastrous combination has had a terrible impact it poisoned everything from big business to education to energy utilities to AIDS policy to relations with Zimbabwe At the heart of the book lies the ruinous figure of Thabo Mbeki whose over reaching ambitions led to catastrophic failure on almost every front But as Johnson makes clear Mbeki may have contributed more than anyone else to bringing South Africa close to failed state status but he had plenty of help **Strike a Woman, Strike a Rock** Barbara Hutmacher MacLean,2004 A trenchant and compelling book that reveals a cross section of South African women who have been part of the courageous struggle against apartheid The women talk of the past the violent years leading to change their roles in the new govern ment and their hopes for the future These women include black women who risked death and torture by opposing the government s racial laws and white women who openly protested the same policies which gave them privilege and as they speak about their fight for freedom it is apparent that South Africa would not have evolved as it has without them *The Prison Letters of Nelson Mandela* Nelson Mandela,2018-07-10 One of NPR s Great Reads of 2018 An unforgettable portrait of one of the most inspiring historical figures of the twentieth century published on the centenary of his birth Arrested in 1962 as South Africa s apartheid regime intensified its brutal campaign against political opponents forty four year old lawyer and African National Congress activist Nelson Mandela had no idea that he would spend the next twenty seven years in jail During his 10 052 days of incarceration the future leader of South Africa wrote a multitude

of letters to unyielding prison authorities fellow activists government officials and most memorably to his courageous wife Winnie and his five children Now 255 of these letters many of which have never been published provide exceptional insight into how Mandela maintained his inner spirits while living in almost complete isolation and how he engaged with an outside world that became increasingly outraged by his plight Organized chronologically and divided by the four venues in which he was held as a sentenced prisoner The Prison Letters of Nelson Mandela begins in Pretoria Local Prison where Mandela was held following his 1962 trial In 1964 Mandela was taken to Robben Island Prison where a stark existence was lightened only by visits and letters from family After eighteen years Mandela was transferred to Pollsmoor Prison a large complex outside of Cape Town with beds and better food but where he and four of his comrades were confined to a rooftop cell apart from the rest of the prison population Finally Mandela was taken to Victor Verster Prison in 1988 where he was held until his release on February 11 1990 With accompanying facsimiles of some of his actual letters this landmark volume reveals how Mandela a lawyer by training advocated for prisoners human rights It reveals him to be a loving father who wrote to his daughter I sometimes wish science could invent miracles and make my daughter get her missing birthday cards and have the pleasure of knowing that her Pa loves her aware that photos and letters he sent had simply disappeared More painful still are the letters written in 1969 when Mandela forbidden from attending the funerals of his mother and his son Thembi was reduced to consoling family members through correspondence Yet what emerges most powerfully is Mandela's unfaltering optimism Honour belongs to those who never forsake the truth even when things seem dark grim who try over and over again who are never discouraged by insults humiliation even defeat Whether providing unwavering support to his also imprisoned wife or outlining a human rights philosophy that resonates today The Prison Letters of Nelson Mandela reveals the heroism of a man who refused to compromise his moral values in the face of extraordinary punishment Ultimately these letters position Mandela as one of the most inspiring figures of the twentieth century From The Prison Letters of Nelson Mandela A new world will be won not by those who stand at a distance with their arms folded but by those who are in the arena whose garments are torn by storms whose bodies are maimed in the course of contest I am convinced that floods of personal disaster can never drown a determined revolutionary nor can the cumulus of misery that accompanies tragedy suffocate him My respect for human beings is based not on the colour of a man's skin nor authority he may wield but purely on merit A good pen can also remind us of the happiest moments in our lives bring noble ideas into our dens our blood our souls It can turn tragedy into hope victory
