

TRY A TRIATHLON...

Susan Parker interviews ex-marathon runner Tom Redding.

Susan: So, Tom tell us what a triathlete is.

Tom: Well, Susan, a triathlete is an athlete who takes part in a contest called a triathlon. Triathletes have to swim, cycle and run during this race. We have to do one activity after the other, so it's very difficult.

Susan: You used to be a marathon runner. When did you decide to become a triathlete?

Tom: Two years ago. You see, I saw a triathlon on TV and the next day I told my coach that I wanted to take part in one.

Susan: Just like that?

Tom: Yes. My coach told me that he would help me train. But he also told me that it wouldn't be easy.

Susan: What do you mean?

Tom: Well, I had to train twice as hard. Three times as hard, actually. And, of course, I listened to all of his advice.

Susan: I see. So, how long did it take you to get ready for your first triathlon?

Tom: Well, after four months of training, my coach told me that I was ready to take part in a triathlon. I didn't think I was ready, but my coach told me that I could do it. And he was right! I won first place in the local championship!

1. Triathletes have to do three sports in one race.
2. Tom has been a triathlete for many years.
3. It's easy to become a triathlete.
4. Tom was ready to take part in the triathlon after four months.

Bruce Miller debunks the idea of balance, basically trying to have it all all the time. Most churches and their pastors try to do everything at once and feel guilty if any one aspect: worship, ministries, outreach, etc. is neglected. He replaces the exhausting concept of balance with the idea of rhythm: churches like people need to give attention to different programs and ministries at different times, basically by attending to their seasons and cycles. Offers an innovative new model for church leaders. Miller has been influential in the formation and promotion of Church Based Training as an international movement. Offers a proven method for avoiding burnout for church leaders and members by doing the right things at the right time. The author offers much needed help to overwhelmed leaders and shows them how to apply Miller's seasonal cyclical approach to church life.
