

The Tribute Speech

3-5 minutes

Choose a person, living or dead, famous or not, who has had a tremendous impact on your life. Who is a hero or heroine for you? Who do you admire? When you ask yourself these questions you should readily discover the person to whom you should pay tribute.

INTRODUCTION

Attention Getter:

Be sure to set the mood. These do not need to be deathly serious speeches. But, a certain fondness and sense of affection should permeate the mood to the opening of the speech.

I. Thesis

Perhaps something like: "If my mom hadn't have been such a strong influence in my life I would probably be a dismal failure by now,"

BODY

In the body of the speech, you may use the following, or a combination thereof:

I. Background of the person

- A. Their upbringing
- B. Accomplishment and Achievements
- C. Values and Morals
- D. Hardships and Struggles

II. Examples of how this person has influenced you.

- A. What the person has done to you or for you.
- B. What the person has done for others.

III. Have you grown as a result of this person's influence?

IV. In what way will you try to emulate this person in later years?

Just How Far from the Apple Tree? John S. Peale, 2012-08-28 For the only son of the famous preacher and author Norman Vincent Peale life was not without its challenges In this memoir John S Peale shares his story one of love tension and resentment Life in the shadow of a famous father became a long and heartfelt struggle to become his own man Despite the difficulties he faced he found a way to thrive and make his own way After a long and distinguished career as a professor of philosophy he became a scholar of religion in China He was actively involved in church and community His has been a successful road but it wasn't always an easy one Tensions between the famous father and his son created darkness and despair While the two loved each other their relationship was strained at best Due to John's strength of character and willful endurance he was able to move beyond a sense of unworthiness to embrace that he is indeed a talented and giving man Now in his seventies John with his warm and positive smile emulates Confucius At seventy I could give my heart and mind free rein without overstepping the mark Although the story of a famous parent causing resentment and isolation from a son or daughter is not unfamiliar John seeks to inspire others in similar

situations to have hope and faith in their own abilities and identity The Articulate Person Bruce E. Gronbeck,1983
