What can I do as a parent to help my child receive the best education in the public school What proven strategies are available for an ordinary parent to use to help his/her child have greater success in the classroom Does my child have a better chance in receiving a quality education if I am involved in his day to day education The answers to these three questions are crucial for parents today if their child is to have success in the classroom and receive a quality education BACK TO SCHOOL FOR PARENTS addresses each of these questions providing the parent who has limited or advanced education a useful tool to help the school aged child have greater success in the public school **The Bright Survivor** Sharon

Shih,2024-01-12 The Bright Survivor is a memoir offered in a unique second person mother to son approach The mother provides a detailed story about how her son grew up in a small family of the first generation immigrants in Canada Her son was born in Toronto when she and her husband were in their forties finishing school and starting a new career When they immigrated to Canada after his birth the immigration officer asked them to make sure that he gets all that a Canadian deserves It took twenty years The family of three explored and overcame several learning curves For many years being with his parents was rare for the boy because his parents always worked full time He grew up with Chinese nannies home cares after school programs and extra curricular lessons For summer and winter breaks he was busy with camps and sometimes family trips In his primary school years the boy was fine but had little patience in group settings and split grade classes His parents pursued a better fit for his education He eventually felt in the right place with the International Baccalaureate program at high school and went to a co op program for his college education to become an engineer His mother wondered sometimes if the home she had provided could have been more relaxing and better appreciated Her generation never had the time or resources Her version of his childhood is marked by persistent effort in a diverse world always with an open mind and often with love and happiness [Expressions of the mind: Reality, Fantasy, and The Dark Side of Sanity](#) ,
