 Mann's Fiction depends upon three psychoanalytic concepts Freud's early work on the relationship between the infant and
 its mother and on the psychology of artistic creation Annie Reich's analysis of the grotesque comic sublimation and Edmund
 Bergler's analysis of writer's block Mann's crisis of sexual anxiety in late adolescence is presented as the defining moment
 for his entire artistic life In the throes of that crisis he included a sketch of a female as Gorgon in a book that would not
 escape his mother's notice But to defend himself from being overcome by the Gorgon mother's stare he employed the
 grotesque comic sublimation hiding the mother figure behind fictional characters physically attractive but psychologically
 repellent all the while couching his fiction in an ironic tone that evoked humor however lacking in humor the subtext might
 be In this manner he could deny to himself that the mother figure always lurked in his work and by that denial deny that he
 was a victim of oral regression For as Edmund Bergler argues the creative writer who acknowledges his oral dependency will
 inevitably succumb to writer's block Mann's late work reveals that his defense against the Gorgon is crumbling In Doctor
 Faustus Mann portrays Adrian Leverkühn as ultimately the victim of oral regression but the fact that Mann was able to
 compete the novel despite severe physical illness and psychological distress demonstrates that he himself was still holding
 writer's block at bay In Confessions of Felix Krull Confidence Man a narrative that he had abandoned forty years before
 Mann was finally forced to acknowledge that he was depleted of creative vitality but not of his capacity for irony brilliantly
 couching the victorious return of the repressed in ambiguity This study will be of interest to general readers who enjoy Mann's
 narrative art to students of Mann's work especially its psychological and mythological aspects and to students of the
 psychology of artistic creativity British Mysteries - Boxed Set (350+ Detective Novels, Thrillers & True Crime Stories)
