Vincent Van Gogh & the Colors of the Wind Chiara Lossani,2011-01-18 Vincent van Gogh was a complicated person No one understood that better than his younger brother Theo While others saw Vincent as a madman wandering into the fields with his canvases and paintbrushes Theo knew that he saw the world like no one else did And even though Vincent struggled with mental illness and poverty Theo recognized his incredible artistic talent as the rest of the world now does Inspired by Vincent van Gogh s letters with illustrations modeled after his famous paintings this lyrical story provides a thoughtful and fresh look at the life of one of history s most beloved artists Vincent van Gogh Julius Meier-Graefe,Magdalene Benfer,1931 **Vincent van Gogh** Iain Zaczek,2014-08-01 Starry Night is one of the most famous paintings known today Vincent Van Gogh s Self Portrait with Bandaged Ear is also very recognizable partly because of the story behind it Readers are introduced to Van Gogh through biography and many of his works Each of the featured paintings is shown in full color and details are brought to the reader s attention such as the small signature Van Gogh put on the vase in Sunflowers Readers learn all about Van Gogh s signature style of thick paint filled brushstrokes built upon each other in uneven layers Then they can learn to imitate him **Vincent Van Gogh** Catherine Nichols,Vincent van Gogh,2006-01 Discusses the life work and legacy of nineteenth century Dutch artist Vincent van Gogh **Vincent Van Gogh** John Malam,1996 Van Gogh was born in Holland in 1853 His first job was working for his uncle in a gallery buying and selling paintings He was sent to work in Paris and London but soon lost interest in paintings and turned to religion For a time he taught French at a school in Ramsgate When he returned to Holland in 1877 he studied theology then trained as a missionary in Belgium It was in Belgium that he became interested in art again and started doing some drawings himself He moved to Paris to study painting and after two years there moved to Arles where he produced many of his most famous works such as Sunflowers or Starry Night It was also here that at the age of 32 he took his own life **Van Gogh** Jessica Bailey,2015-08-15 Vincent van Gogh was one of the world s most famous and prolific 19th century painters yet only sold one painting in his lifetime The Red Vineyard 1888 for 400 Francs The painting which sold in Brussels just a few months before van Gogh s death at the age of 37 was to provide the artist with a legacy that would see him become a global inspiration for the future of art Through sheer commitment and determination Van Gogh created an artistic phenomenon that would capture the hearts of millions of art lovers for many generations to come Van Gogh began working in November 1881 at the age of 28 believing that to become a great artist he needed to master the art of drawing before adding color He drew and practiced drawing for a year before he evolved as an artist and over the course of 10 years he created more than 2 000 works of art including his most popular paintings

Sunflowers Poppies The Potato Eaters Starry Night Irises The Bedroom The Mulberry Tree and Blossoming Almond Tree Bold color would become synonymous with the paintings of Van Gogh in later works and the painter predicted that the great painter of the future would know how to use color and produce works of art like no other Interestingly it appears that van Gogh did not think he would be the great influential artist of the future rather someone who would encourage and do all he could to ensure that this painter of the future would prevail However Theo van Gogh was convinced of his brother s legacy as a great painter and believed that his older sibling would one day be rightly acknowledged for his talents Theo s beliefs were to be proven beyond doubt **Van Gogh** V. van Gogh,1947
