1. What does the poet mean when she uses the word "simpering?"

Simpering means a silly smile that contains no emotion.

2. Why are the old folks able to forgive life?

Old folks are able to forgive life because their experience of the world makes the difficult

thing bearable for them.

3. What is "the best and worst of remembering?"

"The best and worst of remembering is looking back at one's life

. 4. Why does the poet uses run-on lines for the poem ?

The poet uses run-on lines for the poem because the poem is all about the old folks laugh,

their laughing seem to be spontaneous, uncontrollable and free that is it has the quality of run-on.

5. Explain briefly the comparison made about the bellies.

When the old folks laugh their entire body shakes, bellies goes up and down or from side to

side like tambourines jiggles. Tambourine is a musical instrument, which is played by shaking or

hitting on it, so the poet compared the old folks bellies with tambourine.

III. Answer the following questions in a paragraph not exceeding 100 words or each:

1. What images of aging do you see in the poem?

In the poem there are many images of aging are seen, first of all when the old people

laugh their bellies jiggle like tambourines and don't care for manners so they laugh loudly because they are not worried about the opinions of people. Another thing is that

Difficult Questions Have Easy Answers Atina Hseham,2023-12-06 An inquiry made to obtain any information is known as an interrogation While asking the person tries to get an answer that allows him to satisfy his doubts The interviewers often ask simple questions in a very twisted fashion to confuse the candidates Difficult questions answers reflect the knowledge of the giver as well as his overall personality For example Which is heavier a kilogram of feathers or 1000 grams of lead Solution Both the weights are equal And What happened in Kolkata yesterday from 8 to 9 o clock Solution An hour had passed These questions have a trick because they are framed in such a way that the answers seem simple but in reality they are not It can be said that the questioners confuse the candidates as they hide their answers using rhetorical resources and various devices In some cases the answer is found in the question itself but in secret Tricky questions are also used for fun or as a mental activity of logical practice Like a truck driver passing down a street in the wrong direction some policemen saw him but they didn't say anything to him why Solution Because the truck driver was on foot He shaves all day but still has a beard who is he Solution Barber Some months have thirty days and others thirty one but how many months have twenty eight Solution Every month has at least twenty eight days Which object becomes wet When it dries Solution Towel How do you draw a square with three lines Solution draw the square first and then draw three lines inside the square Thus an answer to a tricky question can lead to confusion due to the confusion generated question These types of questions are very specific to the areas in which people's knowledge or behavior is evaluated Generally such difficult questions can be perceived as misleading or incorrect because something is being implied that is not in reality However they can also be seen as methods whose precise purpose is to test the candidate and determine whether he or she is fully capable of answering the question that he or she is saying I know In this way about five thousand questions and answers have been given in the present book which is equally useful for all competitive examinations **3,285 Bible Questions & Answers** Emily Filipi,1994 What did God create on the 6th day Who was hidden in a well covered with corn All kinds of fill in the blank and matching questions challenging word puzzles Covers angels and animals birds and brides creation crucifixion feet fowl and fools plagues and prophets A great way to keep up on the Bible *Laughing at Yourself* Frank E. Burdett,2014-03-17 Frank E Burdett is a survivor from seriousness This is no laughing matter and only needs a simple explanation Frank decided to divorce himself from all seriousness in an effort to gain control of his sense of humour Once he attained his sense of humour he realised that the amount of absurdity and nonsense that abounds in society can only be diagnosed in the gentlest of terms as over seriousness of epidemic proportions Frank has researched and evaluated the importance of nurturing your sense of humour in order to balance the well being of people everywhere especially against the high degrees of stress both emotional and work associated challenges that attack everyone today He came to the conclusion that people of all persuasions have completely lost the knack of being able to step aside and have a good and free laugh at themselves Therefore the time has

come for you to learn to laugh at yourself and live longer Frank knows the effects of harrowing trauma being attacked mauled and carried away by a man eating tiger and curing himself of spreading melanoma cancer of the neck shoulder both lungs liver and bowel cancer He had been diagnosed by orthodox medicine as stage IV and given six months to live He tuned to find an alternative cure He has now been four years free of cancer Frank devised a technique whereby even you can benefit and learn to laugh at yourself You have nothing to lose except your overpowering seriousness Frank spent three years delving into the properties of laughing at yourself and he soon realised that there is more to laughing than showing a set of teeth Laughing at yourself allows you the complete freedom to see stress and seriousness in their proper light as a threat to your long lasting happiness This is your opportunity to take a real look at yourself by using Franks technique to step on the path towards learning the Art of Happiness You either want to be free from the pangs of stress and seriousness or you do not Your choice

Plato's Laughter Sonja Madeleine Tanner,2017-11-14 Plato was described as a boor and it was said that he never laughed out loud Yet his dialogues abound with puns jokes and humor Sonja Madeleine Tanner argues that in Plato s dialogues Socrates plays a comical hero who draws heavily from the tradition of comedy in ancient Greece but also reforms laughter to be applicable to all persons and truly shaming to none Socrates introduces a form of self reflective laughter that encourages rather than stifles philosophical inquiry Laughter in the dialogues both explicit and implied suggests a view of human nature as incongruous with ourselves simultaneously falling short of and superseding our own capacities What emerges is a picture of human nature that bears a striking resemblance to Socrates own laughable depiction one inspired by Dionysus but one that remains ultimately intractable The book analyzes specific instances of laughter and the comical from the Apology Laches Charmides Cratylus Euthydemus and the Symposium to support this and to further elucidate the philosophical consequences of recognizing Plato s laughter

I Am in Here Elizabeth M. Bonker,Virginia G. Breen,2011-10-15 She looked into my eyes and blinked hers slowly and deliberately like a stroke victim to show me that although she couldn t speak she understood what I was saying to her I stroked her hair softly I know you re in there honey I told her We ll get you out Despite the horror of seeing fifteen month old Elizabeth slip away into autism her mother knew that her bright little girl was still in there When Elizabeth eventually learned to communicate first by using a letterboard and later by typing the poetry she wrote became proof of a glorious life affirming victory for this young girl and her family I Am in Here is the spiritual journey of a mother and daughter who refuse to give up hope who celebrate their victories and who keep trying to move forward despite the obstacles Although she cannot speak Elizabeth writes poetry that shines a light on the inner world of autism and the world around us That poetry and her mother s stirring storytelling combine in this inspirational book to proclaim that there is always a reason to take the next step forward with hope , *Face2face Intermediate Student's Book with DVD-ROM* Chris Redston,Gillie Cunningham,2013-02-14 face2face Second edition is the flexible easy to teach 6 level course A1 to C1 for busy teachers who want to get their adult and young adult learners to communicate with
