*Institutionalized Routine Prayers at Qumran: Fact or Assumption?* Paul Heger,2019-09-16 This book examines the development of institutionalized prayer in ancient Israel at a crucial time in the history of Western civilization from the period of the Qumran writings in the last three centuries BCE through to the rabbinic period after 70 CE It explores the shift from sacrificial worship by priests to abstract unmediated direct approaches to the deity by laypeople It demonstrates the transition from voluntary freely composed prayers to obligatory prayers with fixed texts The study shows how Qumran and Samaritan prayer contrast with rabbinic prayer shedding light on Jewish customs before the rabbinic reform Posthumously edited by Bernard M Levinson

**A Cure for Christianity** C. Boyd Pfeiffer,2015-10-01 Facts Truth Logic Science These are the basics of the world in which we live day to day in society government medicine agriculture and manufacturing But while we have a 21st century technology we also have 1st century superstitions basically those superstitions found in religion With a particular focus on Christianity and its predecessor Judaism Pfeiffer reflects on the facts of the Bible and Christian religions and his own thinking over a lifetime from a Baptist upbringing through reading on both sides of the fence to debating and discussing religious subjects with ministers priests rabbis and others of all religious persuasions Reviewing various aspects of prayer faith miracles morality heaven and hell he pokes fun at the contradictions and contrivances found in the Book and the rituals solemnly repeated long after they've lost any meaning Biblical immoralities prophecy and blind faith come in for a sharp skewering as he roasts them in the hot gaze of reality From Baptist to the Black List author Boyd Pfeiffer risks being given the evil eye for casting doubt on some cherished beliefs In this book he tackles the subject of religion from the standpoint of common sense and logic including various interpretations of Biblical and religious meanings and content Unfortunately seen from this perspective religion is as brilliant as a burnt out bulb After a decades long search for a credible reason to believe the teachings of Christianity he turns over to the public the results of his research The precepts taught in the Bible simply do not square with the exemplary stories the Bible itself presents and the teachings and the stories don't even match up from one telling to another
