Sponsor Request Letter

Dear Business Owner:

Let me take this opportunity to introduce you to the **Saratoga-Wilton Youth Soccer Club**. Established in 1983, the Club has a proud tradition of developing boys' and girls' soccer skills, as well as a long history of fielding competitive teams that enjoy success locally and regionally. Even more importantly, the Club has had a positive impact on the lives of Saratoga area youth, their families, and the community.

This year, for the first time, we are offering an opportunity to local businesses like yours to become Team and/or Club Sponsors. Your contributions will be targeted exclusively to lower the growing costs of the Club's 300+ players, enabling them to fully participate in Club training programs, Capital District Youth Soccer League games, and local and regional tournaments.

The Saratoga-Wilton Youth Soccer Club is guided by a volunteer board of directors and dedicated parent volunteers. However, we are different from some other soccer clubs in that we are a small nonprofit club that does not receive any governmental or grant assistance. Our primary revenue source is registration fees paid by families, proceeds from our annual May Day tournament, and donations received from generous individuals and businesses. Since these funds do not cover all of the Club's operating expenses, families often must raise their own funds to pay for equipment, training fees, field rentals, travel, and tournament entry fees. **The average cost per player per year to participate is \$750, particularly difficult for families with more than one player and/or modest means.**

In order to continue to make this rewarding experience a reality for our youth, we are reaching out directly to area businesses, family, and friends, **and offering the opportunity to help by becoming a team or club sponsor!** While any sponsorship level you select will be greatly appreciated, a donation of \$500 or more will earn you a Proud Team Sponsor Plaque with a photo of a team to display on your office wall, a valuable marketing tool as well.

Please take a moment to review and select the sponsorship package that best fits your business and budget.

Respectfully yours,

Juergen A Klingenberg
SWYSC Marketing Director

P.S. For tax-reporting purposes, all checks **must** be made payable to the **Saratoga-Wilton Youth Soccer Club or SWYSC**. All sponsors will receive an advertising/sponsorship invoice for tax-reporting and deduction purposes based on the sponsorship level selected.

Sports Sponsorship John A. Fortunato,2013-08-03 This book focuses on how the sponsorship of sports works the costs the goals evaluation and selection of the property a sponsor chooses how to activate a sponsorship how to create a brand association public relations and brand image possibilities Anything is possible in a sponsorship it is simply what the sponsor and the property can agree to during their negotiations There is for example the opportunity for product category exclusivity no competing brand at a particular location With the audience being harder to reach because of technology sponsorship continues to be a viable way to obtain brand exposure and better connect a brand with a consumer With global sponsorship spending totaling more than 51 billion it is clear that many companies see this as an important promotional communication strategy Instructors considering this book for use in a course may request an examination copy here

Coaching Kids Flag Football Danford Chamness,2002 This book was written expressly for you who are coaching chil dren in Flag Football We stress how to teach children to play this game and to have fun doing it The book covers all facets of the game from the most basic how to pass receive run and grab the flags to game strategies and tactics When coaching children it should be a fun experience for every one for you for the parents and most important of all for the chil dren As a coach we cover the teaching attitude and methods We always keep in mind that these are children and the game is for the kids and not for the adults Winning isn t everything but learning to play well and wanting to win is We have taken the children from first grade through the eighth grade and broken them into three categories In each category we discuss the players needs and abilities what they are capable of in both the physical and emotion sense and their limitations We have also defined the coach s role the parent s role and the player s role

Miao Li,2015-04-24 In East Asian economies such as China recent mass rural urban migration has created a new urban underclass as have their children However their inclusion in urban public schools is a surprisingly slow process and youth identities in newly industrialized countries remain largely neglected Faced with monetary and institutional barriers the majority of migrant youth attend low quality or underperforming migrant schools without access to the free compulsory education enjoyed by their urban counterparts As a result China s citizen building scheme and the sustainability of its labor intensive economy have greatly impacted global economic restructuring Using thorough ethnographic research this volume examines the consequences of urban schooling and citizenship education through which school and social processes contribute to the production of unequal class relations It explores the nexus of citizenship education and identity forming practices of poor migrant youth in an attempt to foresee the new class formation in Chinese society This volume opens up the black box of citizenship education in China and examines the effect of school and societal forces on social mobility and life trajectories **Junior Graphic** Mavis Kitcher (Mrs),2011-10-05 *Getting Past What You'll Never Get Over* John F.
