

Clay Story (10 Syllables Per Line Poem)

**Strange how Life can be more than a story
Plots and characters bring a pleasant thrill
With laughter and tears, some sad and funny
Tragedies and heartaches may bring Pain's chill.**

**A finite journey men must tread along
But storms and trials make it clear to me
In the end there's a Home where we belong
Our purpose is -with God we're meant to be.**

**Life one page at a time is no wonder
God's the Author, so trust in Him today
He knows the best- His Love stays forever
And the choice is ours to make, if we may.**

**As clay to the Potter, let our life be-
A masterpiece for Him all men can see.**

within his oeuvre modern readers have seldom been encouraged to engage with his non dramatic works as a whole This new edition explains how this state of affairs has arisen and why it needs to be changed The volume contains the complete Sonnets and poems with a full commentary An extensive and lively introduction explores Shakespeare s poetic development and shows how the poems relate to each other and to his dramatic works The Sonnets are freshly interpreted not as cryptic fragments of autobiography but as works which ask their readers to think about relationships between lyric poems and the historical circumstances which may have given rise to them The narrative poems Venus and Adonis and Lucrece are placed where they belong at the origin of Shakespeare s thinking about what it means to desire and to be desired The edition responds to the most recent scholarly work on the interpretation and dating of Shakespeare s poems and Sonnets It also explores what the poems may have meant to their earliest readers For this reason it also includes poems attributed to Shakespeare in the seventeenth century as well as those printed under his name in *The Passionate Pilgrim* in 1599
