Transformed Into A Bride Transformed English Edition:

Girls Transforming Sanna Lehtonen, 2013-05-08 This book explores representations of girlhood and young womanhood in recent English language children's fantasy by focusing on two fantastic body transformation types invisibility and age shifting Drawing on recent feminist and queer theory the study discusses the tropes of invisibility and age shifting as narrative devices representing gendered experiences The transformations offer various perspectives on a girl's changing body and identity and provide links between real life and fantastic discourses of gender power invisibility and aging The main focus is on English language fantasy published since the 1970s but the motifs of invisibility and age shifting in earlier tales and children's books is reviewed this is the first study of children's fantasy literature that considers these tropes at length Novels discussed are from both critically acclaimed authors and the less well known Most of the novels depicting invisible or age shifting girls are neither thoroughly conventional nor radically subversive but present a range of styles In terms of gender children's fantasy novels can be more complex than they are often interpreted to be *The Transformation of*

Central Asia Pauline Jones Luong, 2018-08-06 With the fall of the Soviet Union in 1991 former Communist Party leaders in Central Asia were faced with the daunting task of building states where they previously had not existed Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan Their task was complicated by the institutional and ideological legacy of the Soviet system as well as by a more actively engaged international community These nascent states inherited a set of institutions that included bloated bureaucracies centralized economic planning and patronage networks Some of these institutions survived others have mutated and new institutions have been created Experts on Central Asia here examine the emerging relationship between state actors and social forces in the region Through the prism of local institutions the authors reassess both our understanding of Central Asia and of the state building process more broadly They scrutinize a wide array of institutional actors ranging from regional governments and neighborhood committees to transnational and non governmental organizations With original empirical research and theoretical insight the volume's contributors illuminate an obscure but resource rich and strategically significant region **Neo-Confucianism in History** Peter K. Bol, 2020-03-17

Where does Neo Confucianism a movement that from the twelfth to the seventeenth centuries profoundly influenced the way people understood the world and responded to it fit into our story of China's history This interpretive at times polemical inquiry into the Neo Confucian engagement with the literati as the social and political elite local society and the imperial state during the Song Yuan and Ming dynasties is also a reflection on the role of the middle period in China's history The book argues that as Neo Confucians put their philosophy of learning into practice in local society they justified a new social ideal in which society at the local level was led by the literati with state recognition and support The later imperial order in which the state accepted local elite leadership as necessary to its own existence survived even after Neo Confucianism lost its hold on the center of intellectual culture in the seventeenth century but continued as the foundation of local education It

is the contention of this book that Neo Confucianism made that order possible *Tradition and Transformation* Abebe Kifleyesus, 2006 The Argobba are an ethnic and religious minority in southeastern Wallo and northeastern Sawa Despite living in harsh environments and menace from more dominant ethnic groups they have for centuries maintained their agricultural activity trader and weaver identity and religious unity At present they are undergoing rapid cultural change and are caught up in a tension between encapsulation and the struggle for the survival of Argobba cultural tradition and political position in what once was a strategic location This book presents a perceptive historical and cultural analysis of change and continuity looks at how the Argobba define and redefine their agricultural and commercial ways of living as a response to threats from Oromo migration Amhara settler penetration and Adal aggression and examines the past and present condition of Argobba social and economic transformation in north central Ethiopia *Transforming aquatic agricultural systems towards gender equality*

Once Upon a Place Holly Bellebuono, 2025-03-08 Once Upon a Place explores narratives from modern film famous fairy tales and ancient mythology to define the five core locations that shape every story the Cavern the Deep the Vessel the Forest and the Labyrinth Popularized by Joseph Campbell the hero's journey features narrative stages along which a person matures and transforms But where heroes transform is just as important as what they do to get there Holly Bellebuono shows you how the location of each hero's journey step is intimately tied to the challenges faced setting the tone for the entire adventure To illustrate each location Bellebuono shares fifteen original adaptations such as the tales of Persephone Gilgamesh Cerridwen and Alice to explore how the sense of place drives the adventure and outcome From Innana's descent into the Cavern to Snow White entering the Forest this book offers powerful wisdom about personal growth life's purpose and the origins of creativity

Initiation in Ancient Greek Rituals and Narratives David Dodd, Christopher A. Faraone, 2013-09-05 Scholars of classical history and literature have for more than a century accepted initiation as a tool for understanding a variety of obscure rituals and myths ranging from the ancient Greek wedding and adolescent haircutting rituals to initiatory motifs or structures in Greek myth comedy and tragedy In this book an international group of experts including Gloria Ferrari Fritz Graf and Bruce Lincoln critique many of these past studies and challenge strongly the tradition of privileging the concept of initiation as a tool for studying social performances and literary texts in which changes in status or group membership occur in unusual ways These new modes of research mark an important turning point in the modern study of the religion and myths of ancient Greece and Rome making this a valuable collection across a number of classical subjects

The Mystical Language of Sensation in the Later Middle Ages Gordon Rudy, 2013-12-16 First Published in 2002 This book is about the way medieval authors wrote about union with God and how they used language that refers to the senses to articulate their ideas about how a person can be one with God Rudy argues that such explicit concepts of the spiritual senses are not sharply distinct from the ideas implicit in broader usage of sensory language in theological writings These ideas are significant in the history of Christian mysticism because language that refers to the senses bears directly on several ideas that are central to ideas about union with God

Women and Gothic Maria Purves, 2014-03-17 This small collection of essays explores women's relationship with the gothic a relationship which has since its eighteenth century beginnings always been complex

These essays demonstrate some of the scope and diversity of that relationship and much of its intensity the ingenuity and genius employed the anguish experienced and the risks taken in its evolution Genuinely representative of gothic s flexibility and presence in everything from novels to architecture from surrealist art to hypertext fiction this volume brings new primary sources and topics to the reader s attention and will be of interest to anyone who wants to expand and challenge their understanding of how and why women engage with the gothic

Christ, the Spirit, and Human Transformation in Gregory of Nyssa's in Canticum Canticorum Alexander L. Abecina, 2023-09-15 It is generally agreed that *virg* is Gregory of Nyssa s first written work composed sometime in the early 370s Recent scholarly interest in the text has tended to focus upon Gregory s alleged ranking of different forms of married and celibate life in relation to fourth century Christian asceticism Rarely however has the overtly ascetical subject matter of the work been studied with regard to one of the most pressing doctrinal debates of the 370s and 380s namely the dispute over the status of the Holy Spirit a matter which the Cappadocian Fathers took up with great force against the Macedonians who denied the Spirit s essential unity with the Father and the Son This chapter therefore investigates the role Gregory assigns to the Holy Spirit in the virgin s spiritual marriage or union with Christ I will show that Gregory stresses throughout the work that such union with Christ is in fact impossible for the naturally weak and fallen virgin unless it is actualised by the life giving power of the Holy Spirit who shares in the very attributes of purity incorruptibility and virginity that are proper to the Father and the Son This he expounds with direct reference to baptismal theology Thus read in light of the debates with the Macedonians in the 370s and 380s *virg* can be understood to prescribe a form of ascetical life which rests upon the characteristically anti Macedonian conviction that the Spirit who is received at baptism unites humanity to the Son and the Father because the Spirit is himself essentially united to the Son and the Father This analysis of pneumatology in *virg* is of central importance to my study of hom in Cant both works portray humanity s union with Christ under the metaphor of marriage That Gregory construes this nuptial union in thoroughly pneumatological and hence baptismal terms in his earliest work serves to attune my focus upon resonant pneumatological and baptismal themes that shed light on his exegesis of the Song of Songs in his final written work

City of Demons Dayna S. Kalleres, 2015-10-13 Although it would appear in studies of late antique ecclesiastical authority and power that scholars have covered everything an important aspect of the urban bishop has long been neglected his role as demonologist and exorcist When the emperor Constantine made Christianity the official religion of the realm bishops and priests everywhere struggled to Christianize the urban spaces still dominated by Greco Roman monuments and festivals During this period of upheaval when congregants seemingly attended everything but their own orthodox church many ecclesiastical leaders began simultaneously to promote aggressive and insidious depictions of the demonic In *City of Demons* Dayna S Kalleres investigates this developing discourse and the church sponsored rituals that went along with it showing how shifting ecclesiastical demonologies and evolving practices of exorcism profoundly shaped Christian life in the fourth

century **The Folk-lore Journal** Folklore Society (Great Britain),1887 *Lobola (Bridewealth) in Contemporary Southern Africa* Lovemore Togarasei,Ezra Chitando,2021-02-03 This volume explores the multiple meanings and implications of lobola in Southern Africa The payment of lobola often controversially translated as bridewealth is an entrenched practice in most societies in Southern Africa Although having a long tradition of late there have been voices questioning its relevance in contemporary times while others vehemently defend the practice This book brings together a range of scholars from different academic disciplines national contexts institutions genders and ethnic backgrounds to debate the relevance of lobola in contemporary southern African communities for gender equality *Preparing for the Lord's Return* Witness Lee,2025-02-07 If we genuinely love someone we love their appearing and if we genuinely love the Lord we must love His appearing that is His coming John 21 reveals the matter of loving the Lord and in 2 Timothy 4 we see the matter of loving His appearing Verse 8 says Henceforth there is laid up for me the crown of righteousness with which the Lord the righteous Judge will recompense me in that day and not only me but also all those who have loved His appearing In this series of messages we will cover the second coming of the Lord Jesus Christ However we will not cover the second coming in a doctrinal way Instead we will cover the Lord s return in a way that causes us to love the Lord Jesus and to love His appearing
