The Executive's Almanac Milton Moskowitz, 2006 The Executive's Almanac is an entertaining collection of facts and figures covering all aspects of business from the assembly line to the bottom line from the stock market to the supermarket A sample of what's in store The ratio of the salaries of the average worker to the average CEO is 301 to 1 As of 2004 8.3 million people in the world have 1 million to invest spend or save Blue Chip stocks got their name from poker where blue chips are more valuable than white or red Starbucks was named for the first mate in Herman Melville's novel Moby Dick The New York Stock Exchange ticker symbol for Mauna Loa is NUT Men's Wearhouse is SUIT Sotheby's is BID and Genentech is DNA

The 2004 Entertainment, Media & Advertising Market Research Handbook Kelli D. Washington, Richard K. Miller, 2004

News Media Yellow Book, 2004 **The 2003 Entertainment, Media & Advertising Market Research Handbook** Kelli D. Washington, Richard K. Miller, 2002-11 **Graphic Design That Works** Rockport Publishers, 2006-04-01

Consumers are blitzed with millions of images every day Companies hoping to grab a consumer's attention need a memorable eye catching design whether for a logo an identity system an in depth promotional campaign or a magazine that needs to stay fresh and strong month after month Now as a competitively priced paperback **Graphic Design That Works** looks at examples of logos identities promotions brochures and magazine design that have proven successful track records Quick hit copy explores these designs from early conceptual stages to initial drafts and final execution so whether you're a seasoned designer or a newcomer to the field you can understand how and why the design came to be Also included are tips from the experts who put these designs on the map They tell what succeeded and what failed in their attempts to create designs that really work Censored, 2007 *Understanding the Media* Eoin Devereux, 2007-07-25 The second edition of *Understanding the Media* updates what has been recognised as a successful introduction to the study of the mass media The author furnishes examples from all around the world underpinning the emphasis the book places on the concept of globalisation in understanding the modern media The readings and questions force students to reflect critically on issues and encourage them to explore their own media consumption habits The chapters are well organised and user friendly with the chapter on globalisation highly recommended Introductions to media globalisation often fail to provide a succinct and clear overview for first year students this chapter cracks the problem with a pithy description of the basic concepts and debates interlaced with illuminating case studies and illustrative examples The strength of Eoin Devereux's text is that the examples are familiar and relevant to present day students and his style does not patronise or talk down to them Clearly written comprehensive well organised and up to date This is an excellent introductory text for media studies students Times Higher Education Praise for the first edition An interesting book to read written in a simple and transparent style and interlaced with topical up to date examples of media events Journal of Educational Media This is a well organized well informed student friendly textbook ideal for first year undergraduates as a kicking off point into the field of media and communications

research It deserves to be widely taken up European Journal of Communication Understanding the Media introduces key theoretical issues in media analysis and encourages students to use case studies to examine their own personal media use and exposure Devereux applies a model of media analysis that gives equal weight to the production content and reception of media texts A particular emphasis is placed on understanding the mass media in a social context and readers are invited to engage with a variety of questions about the increasingly complex mediascape in which we live our everyday lives Now thoroughly revised and expanded this Second Edition Includes an additional chapter which draws together the book's key themes Contains new and revised case studies with expanded discussions on media audiences and fandom and blogging New and revised extracted readings in every chapter In addition the book is now accompanied by an ancillary website with resources for students as well as slides for tutorials lectures Each chapter contains concise summaries exercises extracts from experts in the field model exam and essay questions as well as directions for further reading and research This practical dimension to Understanding the Media will ensure that the book appeals to both teachers and students of the media in the 21st Century
