British and foreign sailors' society

Traveling Upward On The Road To Heaven:

In the Land of Sojourners John Elsadai, 2008-06 In the Land of Sojourners is made up of the thoughts and expressions of a Christian sojourner traveling from the countryside around a village in southern India to the largely desert but oil rich Middle East and through the corridors of hills and valleys of the United States on his way toward the Eternal City The author watches generations come and go while observing from a mixed perspective of conservative and liberal cultures In this book you will find the vision of an immigrant the dream of an evangelist the hope of a Christian and the destiny of a Sojourner Once you start this book you will not be able to stop reading until the end The fifty two chapters are essentially fifty two memorable devotional lessons with their spiritual and charismatic beauty John Elsadai author of several books published in the languages of his native India is well known among ethnic evangelical Christian communities Most of his books are character studies of persons in the Bible writings that expound on the moral culture that a Christian might pursue Born into a Christian family in India where majority populations are Hindu John Elsadai was employed in the Middle East before he eventually migrated to the United States He has a special talent for expressing his views and thoughts to his readers by way of examples and life experiences Elsadai believes that any conflict in theology should be brought finally before the Cross of Christ where it can be settled with prayer He and his wife Elsy are parents of two daughters Betsy Ann and Blessy Ann

The Yi River Commentary on the Book of Changes Cheng Yi, 2019-01-01 A translation of a key commentary on perhaps the most broadly influential text of classical China This book is a translation of a key commentary on the Book of Changes or Yijing I Ching perhaps the most broadly influential text of classical China The Yijing first appeared as a divination text in Zhou dynasty China ca 1045 256 bce and later became a work of cosmology philosophy and political theory as commentators supplied it with new meanings While many English translations of the Yijing itself exist none are paired with a historical commentary as thorough and methodical as that written by the Confucian scholar Cheng Yi who turned the original text into a coherent work of political theory

The Glass Planet Reed, Preston, 2024-03-10 Young autistic Gwydion and his archeologist grandfather are reading ancient stories together and they take us through time in earth s history to thousands of years ago with the book of Moses the Exodus and more But some one or some THING is trying to kill them and stop them from translating the oldest stories Stories of ancient Gods arriving here touching off beautiful new civilizations only to be thwarted by the arrival of others from far off worlds Twisted remains of an unknown king are found in an impossible silver Sarcophagus and more Scrolls are discovered stunning young Gwydion into becoming a speaker for the long dead by destroying an ancient demon and gaining his own guardian angel The old God s have gone home vacating this planet mysteriously leaving empty husks of civilization and confused aboriginal populations all over the world searching to regain the knowledge of their ancient Gods Gwydion tries to help and pays the highest price
