actividades con ejercicios para practicar las destrezas y contenidos del Student s Book **First Aid** Àlex Pedrol, Adeline Horga, 2020-06-08 First Aid Shortcut to B2 without answers The idea behind this book was to give you the proper tools to
prepare for your B2 exam ASAP Some students might not have the time or patience to attend classes or they simply want to
reach their objective sooner so even if you do go to class this will cut down on the time you need to put in and give you a
shortcut to obtaining your B2 certificate Over 10 years experience and working with all kinds of different books has taken us
to tailor our notes to best meet our students needs and compiling them into one user friendly booklet seemed the best way to
reach out to more students and thus share our acquired knowledge What will you find in this book All the grammar theory
that you should know explained as we would explain it in a real class Tips and warnings when common mistakes occur And a
collection of 115 exercises to put everything you ve learned into practice Since you are the one doing the studying pick and
choose whether you want or need to do ALL the exercises you might find that you already know some of the things you ve
read and you ll have enough practice with a couple of exercises on a specific topic or you might need to do them all on a
different subject and tailor your practice to meet your needs Our tip would be to read all the theory and then decide on what
your best practice will be from there on
