It has a historical context with research of the time. *Travels with a Donkey in the Cevennes* by Robert Louis Stevenson 1879 is one of the first published works of Robert Louis Stevenson and is considered a classic pioneer of outdoor literature. Stevenson was in his early 20s and still depended on the help of his parents. Her trip was designed to provide material for publication while allowing her to distance herself from a love story with an American woman that her friends and family did not approve of and that she had returned to her husband in California. *Travel* 12 day 200 kilometer 120 mile accounts of Stevenson's solo excursion touring the sparsely populated and impoverished areas of the Cevennes mountains in south central France in 1878. The terrain with its heather filled slopes. Barren rocky it is often

compared to parts of Scotland The other main character is Modestine a stubborn and manipulative donkey that he could never dominate It is one of the first accounts to present hiking and camping outdoors as a recreational activity It also tells about the launch of one of the first sleeping bags big and heavy enough to need a donkey to carry Stevenson is repeatedly mistaken for a street vendor the usual occupation of someone who travels his way
